C.W.U.A.A. PLAYER OF THE WEEK

Saskatchewan Huskie senior **KEN MORRISON** scored one goal and added seven assists as the Huskies took three of four points from the visiting Lethbridge Pronghorns on the weekend, and has been named Canada West Player of the Week for the week ending November 26, 1989. Morrison, who entered the seventh week of conference play with only 10 points in 12 games, erupted for six points on Friday as he scored 1-5-6 in the 8-8 overtime tie. The goal was Morrison's 107th career tally, tying him for the all-time conference lead with former Alberta Golden Bear Stacey Wakabayashi. He added two assists in the Huskies 6-5 win on Saturday. The center, a native of Saskatoon, became only the second player in Canada West history to reach the 200-point mark in their career. Morrison, who entered Friday's game with 196 points, became the conference's second leading all-time scorer with his third point of the game, moving past former Calgary Dinosaur Ken Vinge who had held second place with 198 points. Morrison's fourth point gave him 200 in his career and he ended the weekend with 204 points in 97 games, 46 points behind the leader, Wakabayashi of Alberta.
