## PERSONALS

To the Daytona Spring Break PARTY CREW, this is just a small note to say thanks for everything. We partied, socialized, some of us puked, but most of all we survived those bus rides from hell. Remember today is the Salty Dog Social at the Social Club so I hope to see everyone there. Again, thanks for making my break hassle free, you were a great bunch to party with.

Dear J.M.:  
There once was a guy from The Market, who looked for anywhere to park it; Unbeknownst to him, it was only a whim, and True Women refused to spark it.
