Mr. Alec D. Hardie,  
Federation for Community Service,  
100 Adelaide St West,  
Toronto, Ont.

Dear Mr. Hardie:

I am just back from the West and have your letter of 21st. Am sorry to have been of no assistance for the last three weeks owing to absence, and still more regret that I cannot attend tomorrow morning because it is the date of our Hydro meeting which commences at 10.30, and I feel a dominating obligation to be there. If it is of any value you may say that my support for the application to the City Council is heartily given.

Yours very truly,

AM/E.

Arthur Meighen.
