## PREFACE.

*Learn a foreign language as you learn your mother tongue*: this is in a few words the method which I have adopted in this little work. It is the way that nature herself follows, it is the same which the mother points out in speaking to her child, repeating to it a hundred times the same words, combining them imperceptibly, and succeeding in this way to make it speak the same language she speaks. To learn in this manner is no longer a study, it is an amusement.

Supposing the pupil to have learned his own language by principles, I thought it proper to add a few rules, which will serve to shorten the course and render the progress more secure.
