

WINNING HIS SHIP

OR, THE FURTHER ADVENTURES OF BAHAMA BILL. By T. JENKINS HAINS, author of "Bahama Bill," "The Black Barque," "The Voyage of the Arrow," etc.

12mo, cloth decorative, illustrated \$1.50

Captain Hains is the leading American writer of sea tales, and his descriptions of life at sea are vivid, absorbingly frank and remarkably true.

The scene of the present tale, like that of its predecessor, is laid in the region of the Florida Keys, and the hero is the giant mate of the wrecking sloop, *Sea Horse*. In Bahama Bill Mr. Hains has created a character that will live. He is strong, courageous, simple and loyal to his friends. While he is not one to stir the emotions of gentle feminine readers, he will arouse the interest and admiration of men who appreciate bravery and daring. The minor characters in the book are well-drawn, and one of them, Blye, is second in interest only to Bahama Bill himself.
