

REST.

Here is rest,
On Jesus breast,
This is best.

Joys increase,
And never cease,
Here is peace.

Grace assures,
Jesus cures,
Love endures.

Life is brief,
So is grief,
Sweet relief.

Send the sad,
Welcome glad,
In whiteness clad.

Dismiss the care,
In might of prayer,
In garments fair.

A mercy seat,
At Jesus feet,
My last retreat.

Die to time,
Rise sublime,
To fairer clime.
