of successful business. In that time our house has established a reputation for reliability, second to none in Canada, and to-day our trade-mark, **M. S. B. & CO.**, on a piece of Jewellery or Silverware is considered as much a guarantee of quality as the **Hall Mark of Great Britain.**

At the beginning of the year we made up our mind to make the sixtieth year the largest business year of our history, we have gone far beyond our aim so far, and have made great preparation to do an immense business from now to Xmas.

We have bought largely and for **CASH**—we can safely say **Our Stock is better than ever**—Come and see it.
