

Our Paper.

It costs something to produce a paper like this, and it can only be sustained by securing a good subscription list. Will you help us?

As soon as this paper is received, let the President take it into the society, and tell the members what it contains. Let them know that the subscription price is only 50 cents. Then ask the Secretary to take the names of all who are willing to subscribe. A club of from five to fifty could thus be secured in every League. Try it.

ONE League President writes: "When you have your paper ready, if you can send sample copies to me I will endeavor to secure twenty to forty subscribers." May every President copy this good example!

THE largest number of subscriptions sent in, as yet, by any one League is by the Berkeley Street Society, Toronto, the members of which have subscribed for twenty-one copies.

We respectfully ask for the co-operation of the pastors in obtaining a circulation for THE CANADIAN EPWORTH ERA. If the paper were mentioned to the congregation there are many of the older people who would gladly subscribe.

THE best way to send small sums of money is by postal note. Do you know that a postal note for 50 cents can be bought for 2 cents? It is much more satisfactory than using postage stamps.

We want to receive a large list of subscribers from Eastern Conferences. Subscriptions may be sent to Rev. S. F. Huestis, Methodist Book Room, Halifax, N.S.

THE preparation of the first number of a new paper is not an easy task, as there is absolutely nothing to go by. While we make no apology for this number we hope to improve on it greatly in subsequent issues.
