ALLEN'S LUNG BALSAM, THE REMEDY FOR CURING CONSUMPTION, COUGHS, COLDS, ASTHMA, CHROUP, DISEASES OF THE THROAT, BRONCHITIS, PAINS AND OPPRESSION OF THE CHEST OR LUNGS, DIFFICULT BREATHING, AND ALL THE DISEASES OF THE PULMONARY ORGANS.

Its action is expectorant, alterative, sudorific, sedative, diaphoretic, and diuretic, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm; Changes the Secretions and purifies the Blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imports strength to the whole system.

TESTIMONIALS. What can be more conclusive evidence of the great value of ALLEN'S LUNG BALSAM in curing Consumption? Read the statement of A. L. SCOVILL, of Cincinnati, who is extensively known throughout the United States, as a dealer in remedies for the cure of diseased lungs:—

CINCINNATI, June 25, 1863. J. N. HARRIS & CO.: GENTS.—This is to certify that my sister was attacked with a cough, to which, at first, she paid but little attention; but, after a little time, it became dry and hard, and she could not expectorate the phlegm.

She had a yellow and thick matter; the cold-chills and night sweats followed; the system prostrated; the bowels constipated; the appetite poor; the hands and feet cold and clammy; the eyes glassy, with all the attending symptoms of being in the last stage of Consumption. Tubercles had formed and rotted off one of the veins, which caused hemorrhage of the lungs. She died more than a year since. The physicians, on examining her lungs, found a tubercle as large as a hen's egg. At this crisis, she commenced the use of the LUNG BALSAM, which she took freely at first, as directed, until she raised quantities of phlegm. When this matter was once thrown off, she felt greatly relieved. As he inhaled air into her lungs, it seemed to produce new life to the system.

I have also found it to be one of the best Cough Medicines that I have ever used. It causes expectoration, without producing fever or constipation of the bowels. I now say to the afflicted that I believe that vast numbers of cases that are now in their graves could have been saved by the timely use of Allen's Lung Balsam.

ALLEN'S LUNG BALSAM. Read the following:— Worthington, Ohio, May 22nd, 1866. Dear Sir:—I bear willing testimony to the sterling merits of ALLEN'S Lung Balsam for all Pulmonary troubles.

Don't despair because all other remedies have failed, but try this remedy and you will not be deceived. Adam Walker, of Tavistock, Ontario, writes in February, 1868, that after trying many cough and lung remedies, for a severe cold which he had suffered with for three years, he procured ALLEN'S Lung Balsam, and was being much benefited by it.

The Guelph, Ont. Mercury says, in issue of Feb. 12th, 1869:—The Lung Balsam sold by Perry Davis & Son, is not like many of the nostrums for sale, but has proved itself a valuable medicine when taken for relief in cases of Lung difficulties, Bronchial affections and Asthma.

Jesse Smith writes, January 11th, 1869, to Mr. R. Wood, Druggist, at Erin, Ontario, and says:—I have been afflicted with bronchial affections for several years, have used various remedies but they produced no good effect until I tried ALLEN'S Lung Balsam, from which I derived much good. I would recommend its use to all parties suffering from similar troubles or bronchial diseases.
