But even the very hairs of your head are all numbered. Fear not therefore: ye are of more value than many sparrows. Lukexii. 6. 7

## NEWS FROM A FRIEND.

WE have received a letter from Mr. C. Edwards, the former Chairman of our Boy's Committee. Our boys will be pleased to learn that their old (?) leader is prospering, and is as usual, taking an interest in the welfare of Boys. He writes

as follows,—“I have been at the Y. M. C. A. of New York, and also that of Brooklyn. The Boys work at Brooklyn is larger and more aggressive than that of New York, the latter taking the form of a Boys Bible Class for selected boys only. \* \* \* New York is a place where everybody works hard, and I assure you that no one works harder than Satan himself, for he takes great delight in leading the Young Men and Boys of this great city into the many diabolical traps, and dens of vice he has with malicious cunning, provided for their ruin.

Oh sir! try and keep the boys of Toronto at home, or at least until they have formed Christian principles and habits, which are alone able to keep them from yielding to the abounding temptations of this great city.” BOYS! REMEMBER THESE WORDS.
