

and lumber required by the Waterworks Department.

**HAMILTON, ONT.**—T. Beasley, City Clerk, wants bids by Thursday, 22nd inst., for purchase of \$100,000 20-year 4 per cent. debentures.—Stewart & Witton, architects, are asking for tenders up to 23rd inst. for erection of Orange Hall.—Charles Mills, architect, is preparing plans for the new Bank of Hamilton building. It will be eight stories, of Connecticut brown stone and steel.—Engineers W. O. & O. C. Hamant have purchased property in Barton Township for the purpose of erecting thereon a factory for the manufacture of dump cars.—Building permits have been granted as follows: Peter McCulloch, two residences on Pearl street, between Peter and Napier streets, cost \$2,800; Thomas Lovejoy, three residences, corner Nightingale and Wentworth streets, cost \$5,000; Mrs. Cooks, addition to hotel, corner York and McGill streets; F. W. Bird & Sons, factory in the annex, north of Lottridge street, cost \$18,000; Charles Kidd, brick residence on Barton street, cost \$1,800.—The Presbyterian congregation on the mountain, of which Rev. A. C. Stuart is pastor, have decided to build a brick church.

**WINNIPEG, MAN.**—A. & W. Melville, architects, are this week taking tenders for erection of three residences on Ross ave. for Mrs. Arthurs.—F. R. Evans, architect, has just taken tenders on a frame residence on stone foundation for M. Krolik.—E. B. Nash, merchant, has purchased property on St. John's ave. on which he will erect a residence this summer.—It is reported that C. Kobold and Donald McKenty have bought the property bounded by Water street, Notre Dame ave. east and Main street on which to build a large theatre and restaurant.—J. A. M. De La Giclais, 515 Main street, are taking tenders on two residences.—The Great Western Insurance Co. are looking for a suitable site on which to erect a large office building.—A committee last week considered the plans for the new public hall and police station to be built by the city. It will probably be a month before they are finally accepted.—Among the impor-

tant public works to be undertaken by the city are the following asphalt pavements: On Arlington street, from Portage ave. to Ida ave., cost \$25,873;

Warne street, from Portage ave. to Ida ave., cost \$23,416; Victor street, from Wellington to Ellice ave., cost \$17,589; Colony street, from Portage to Ellice
