

# DELCO-LIGHT Increases Farm Efficiency

- Saves time and labor**—Work formerly done under poor light and by hand can be done better and in less time with the aid of electric light and power.
- Labor is attracted to the farm**—The "back to the farm" movement is made practical when the conveniences afforded by electric light and power can be had in the country.
- Keeps the boys and girls on the farm**—Electric service on the farm offsets city attractions. Valuable labor and valuable young manhood and womanhood are saved to the country community.
- Solves the retired farmer problem**—Electric light and power make the farm home so attractive and comfortable that the farmer and his wife remain on the farm where their advice, experience and immediate interests are of great practical value.
- Lightens burden of the housewife**—Increased farm work in war times means increased labor for the housewife. Electricity offers the only practical means of taking the drudgery of household tasks from her shoulders.

Over 50,000 Satisfied Users Throughout the World

Delco-Light Engine and Generator

## These tools enable you to cultivate triple the acreage

They are so scientifically constructed that you can do 3 to 6 times as much as with old-fashioned tools in the same time, and get bigger and better crops because of more thorough cultivation. 45 years of practical farming and manufacturing experience is back of every Planet Jr. Fully guaranteed.

**No. 4 Planet Jr Combined Hill and Drill Seeder, Wheel-Hoe, Cultivator and Plow** sows all garden seeds (in drills or hills), plows, opens furrows and covers them, hoes and cultivates all through the season. A hand machine that does the work so easily, quickly and thoroughly that it pays for itself in a single season.

**No. 12 Planet Jr Double and Single Wheel-Hoe** is the greatest combination hand-cultivating tool in the world. The plows open furrows, cover them, and hill growing crops. The hoes are wonderful weed-killers. The cultivator teeth work deep or shallow. Crops are straddled till 20 inches high; then the tool works between rows with one or two wheels. 24 styles—various prices.

S. L. Allen & Co. Box 1108 F Philadelphia  
72-page Catalog, free!

Illustrates Planet Jrs doing actual farm and garden work, and describes over 55 different tools, including Seeders, Wheel-Hoes, Horse-Hoes, Harrows, Orchard, Beet, and Pivot-Wheel Riding Cultivators. Write postal for it today; also name of nearest agency.
