

## "EUREKA" FLY KILLER.

"EUREKA" is death to flies, a comfort to stock, and a profit to the farmer who uses it.

It kills Texas horn flies, cattle lice, hog lice, and vermin.

The Superintendent of the Provincial Government Farm at Truro, Nova Scotia, tested it beside all other known remedies, and EUREKA was proven superior. Read what this well-known English authority says:

TRURO, N. S., Feb. 4, 1901.

THE J. H. AMES CO., BOWDOINHAM, MAINE:  
GENTLEMEN,—This is to certify that I have used all the known remedies for prevention of flies, and consider EUREKA FLY KILLER superior to all others.

F. L. FULLER,  
Supt. Gov't Farm.
