

This is the kind of test that only one fence can stand

This actually happened to a **Page Wire Fence** on the farm of Joseph M. Reist, Alsfeldt, in Normandy township, Grey County, and this is what Mr. Reist writes about it:

"Last spring I purchased 200 rods more and had the fence erected in the woods. Lately there fell three trees over it, crushing it to the ground without breaking any wires. After the trees were removed the fence went back to its place and is as tight as before. I can say from my experience, the Page is the cheapest, best and only fence worth a man's time and money to put up."

"Page Fences wear best"

## U.S. Cream Separator

**EXCELLED EVERYTHING AT THE KANSAS STATE COLLEGE**

Read carefully Press Bulletin No. 123, issued May 26, 1913.

The U.S. excelled all of the five other Separators in the competition, but we refer to one only in this space, viz.: our "would-be competitors"—

DeLaval average test of skim milk.	-	.048
U. S. " " " " "	-	.033

  

U. S. excels DeLaval,	-	.015
-----------------------	---	------

This shows that the DeLaval Separator left 45 per cent. more butter fat in the skimmed milk than the U.S.

These Tests substantiate former records, and are continued proofs that

**The U.S. is the Most Thorough Skimmer on Earth.**

For Manitoba and the West we transfer our Separators from Chicago and Minneapolis, and for the Eastern Provinces from Quebec, Sherbrooke, Montreal and Hamilton.

## INTERNATIONAL IMPORTING BARN, SARNIA, ONTARIO

J. B. HOGATE, PROPRIETOR.

IMPORTER OF  
**Clydesdale, Shire and Hackney Stallions, and Spanish Jacks.**

68 head imported in 1902. All sold but 2 stallions and 4 Jacks.

My next importation will arrive about Sept. 1st—60 stallions and 20 Jacks. Hogate buys bread-winners, and sells them at bread-winning prices. Hogate doesn't advertise all of his stallions to weigh a ton, but some of them do. You can fool some of the people some of the time, but you can't fool all the people all the time. Be sure and see my stock before you buy in the fall. Prices to suit all, consistent with quality. I will be pleased to see all my old customers in the fall, and as many new ones.
