No uncertain promises of impossible "dividends," but a reduction of the premium at the outset; equivalent to a "dividend" in advance. The Travelers writes Life and Accident Policies combined as cheap as most companies write life policies. It is the largest Accident Insurance Company in the world, having written 436,000 policies and paid in actual cash benefits to accident policy holders alone over \$2,565,000. An accident policy costs but a trifle. No medical examination required. Get a policy and share in the general benefit.
