

**ONLY FOUR COWS**

That the dairy comprises only four cows is sometimes given as a reason for not purchasing.

**A NEW IMPROVED  
DE LAVAL  
CREAM SEPARATOR**

As a matter of fact four cows and a De Laval Separator will produce as much butter as six cows without the separator, and the labor will be cut in two in the middle.

Anyone who doubts the truth of this statement and the fact that the De Laval will earn its cost in the time allowed for payment may, upon application to the Company or its nearest agent, secure a free trial of a New Improved machine of suitable size.
