Why not have a
"DOMINION"

In Your Home,
on Easy Terms?

YOU surely intend to grace your home with a high-grade piano, organ, or player piano; nothing so bespeaks culture and refinement. If your choice is a sweet-toned "Dominion" you will not only have a piano that will do you credit for a lifetime, but you will save \$100 to \$150 in the bargain.

"Dominion"

Over 80,000 have been Sold the World over

The arched iron frame of the Dominion Piano (just as in the world's most costly grands) holds the strings taut and true. This frame cannot warp or stretch as wooden frames do. The strings must hold their first rich beauty of tone for years and years. That's why your "Dominion" will still be an instrument of notable tonal richness years after other pianos become flat, "tinny" and harsh. Yet our direct-from-factory selling methods, save you \$100 to \$150 and give you easy terms as well.

ALL YOU NEED DO

Send for our big illustrated catalogue (free) and pick out the Dominion piano, organ or player of your choice and we will arrange to put it in your home with a very moderate cash deposit. Write to-day.
