The Underwriters Association has issued a warning of the danger of fire by Christmas decorations. In the event of fire from this cause, the insurance companies will not be liable for the losses incurred, unless their consent has been obtained to the increase of the hazard.

Mr. John Clancy, a GTR brakeman, who has been running between Palmerston and Southampton for the past 10 years, and who is well known in town, is seriously ill at his home in Southampton with what the physicians pronounce inflammation at the base of the tongue. It is said to be the first case of its kind to come under observation by medical men of this district. The victim has been unable to eat or sleep for over a week.

Don't get frightened about your Victory Bonds.—The market price may be less than you paid for them just at present. You bought them as an investment, and they are worth 100 cents on the dollar. The investor with money to spare would be glad to pick them up at the market price. Hang onto them yourself and save somewhere else sooner than sacrifice. The price is down just now because so many need ready money. When you bought you were not gambling, you were getting a real investment.

Two Toronto girls, with their locks closely shorn and garbed in men's attire, set out last Thursday to seek their fortunes in the world. Just about six o'clock they reached the village of Streetsville, footsore and weary. The girls carried with them cooking utensils, but no food; they had found that the woods of Peel county were no feathery places to sleep. The stuff that the movies showed about the great out of doors was all bunk, they told Constable Ruthledge, who picked them up. The girls, one 17 and the other 19, had \$4.50 between them. The Constable found them a log's place. Too tired to eat, they slumped into bed. Next morning they paid their bill, \$4, and then the host of the night provided them with tickets back to Toronto and dad.

**Accepted Western Offer**

Mr. N. C. McKay, who has been District Agricultural Representative for Bruce since the opening of the office here on June 6th, 1912, wired yesterday to the Manitoba Govt., accepting their offer as head of the Dist. Agricultural Representative system for that province at a yearly salary of \$3000. Mr McKay's headquarters will be at Winnipeg and he commences his new duties early in January, he is already making preparations to move with his wife and family to the Western metropolis. Prior to coming to Walkerton nearly nine years ago, Mr McKay spent a year in Walla Walla, Washington Territory, where he taught agriculture in the high school. He turned down an offer from Hon Duncan Marshall about two years ago in which he was tendered the principalship of the Agricultural College at Olds, Alta., and would have declined the Manitoba proposition doubtlessly had the County Council demonstrated their appreciation of his services here by granting him the proposed salary increase. His liking for Bruce has been phenomenal and this County will follow with interest the future advancement of its initial Agricultural Representative—Times

**Nurses and Doctors Likened to Angels**

THERE was still a delicious brogue and a humorous "twinkle" to Norah's tongue, despite years in Canada and many heart-aches.

Dejected by her husband, she broke down under the burden of wash tubs by day and family cares by night. "Tuberculosis," said the doctor. Only rest could save her. "But doctor, dear, what about the children?" dejected Norah.

Eventually the "children" were cared for, while Norah was sent to the Muskoka Free Hospital for Consumptives.

Eight months effected a cure, and, with help from the Samaritan Club, she is now making a home for the "children."

"Faith" and Norah's Irish blue eyes shone as she told her story. "It's scorphims an' angels them gothers an' nurses do be an' them folks givin' the likes of me a chance to be gettin' strong agin'."

Aren't you glad in your heart that Norah didn't die?

The thriving business has been allowed to go so far in Listowel that it is even effecting The Banner's social and personal column. The ladies leaving town on a visit, prefer to keep it out of the paper for fear the thieves will discover that they're away from home and clean up on their fruit cellar.—Listowel Banner.

A Friend—"Why do you object to being called 'colonel' squire?"

The Squire—"Well I never was in the army I don't make speeches, don't swear, and never take a drink so honestly I don't feel that I have any to the title."

A new nose was given to a man in Illinois a few days ago. The unusual and difficult operation was performed by taking cartilage from the patient's right side and grafting the flesh and skin of the forehead for the outer formation of the nose. The operation covered a period of two hours, and is one of a few operations on record of the transplantation of flesh and skin and bone for the formation of an entirely new nose.
