BRUTE FORCE WINS WAKED FROM DEAD

The Provincia Government Seats Victoria Electrified Into Life Over the Two Supporters.

JUDGE OF HIS OWN CASE A STRUGGLE FOR OFFICE

Rushes to Sign the Bill-Another Count Against Him-Two Members Resign For Trifling Irregularties.

VICTORIA, Jan. 11.-Lieutenant-Governor McInnes today assented to the bill to declare J. D. Prentice and F. J. Deane, government supporters, entitled to seats in the legislature for this session, and prohibiting the supreme court from proceeding with the petitions against them until after the close of the session. Both these cases were to have been disposed of the day before the house met.

Martin's Fine Italian Hand. In that of J. D. Prentice, the point was that he was not a qualified candidate, not being on the voters' list, and to prove this the collector of votes was subpensed to attend. This official did not obey the summons, because the attorney-general did not give him the permission asked for to leave his office, and the court, therefore, issued a new order directing him to be on hand to-morrow when it was expected Prentice morrow, when it was expected Prentice would be declared disqualified and the seat awarded to Mr. Stoddart, the late

Deane's Unseemly Act. The case of Mr. Deane was postponed, on motion of his own counsel, until the 16th. He was elected by only four majority, and his opponent, Mr. Martin, relied on being counted in, on a scrutiny of ballots, a large number irregularly marked for him having been thrown out by the returning officer. Deane voted in the house on the bill declaring himself elected for the session

Another Count Against McInnes. The bill to seat these two government supporters was forced through the house in advance of the address in reply to the speech from the throne, as otherwise the court would have dealt with the trials before the bill could have been passed. The lieutenant-governor's assent to the measure will be added to the indictment against him in connection with the dismissal of his former advisers to be laid before the house of commons.

Two Members Resign. Today E. E. Tisdall, government member for Vancouver, resigned, resigned his seat believing himself disqualified by reason of a clerk having sold 70 ified by reason of a clerk having sold 70 cents worth of cartridges to a provincial constable. Rich. Hall, opposition member for Victoria, also resigned under similar circumstances, his clerk having received an order for coal from the lieutenant-governor, who for years has been a customer of Mr. Hall, but on this occasion the coal had to be delivered to the Government house and paid ered to the Government house and paid for by treasury cheque. Mr. Hall will stand for re-election.

The several divisions taken during the night tood 17 to 15, the narrow majority of two being noteworthy, when it is remembered that the object of the bill is to declare elected two supporters of the government, whose seats, the opposition claim, are likely to be awarded to them by the courts, one on Thursday of this week, and one on next Monday, as the trials shinge upon points that can be decided in a very short time,
