Any person requiring a machine will please send their orders in early, as we intend to manufacture only a limited number, and supply them in the order in which they are received. All orders addressed to us, or our Agent, Wm. Somerville, Montreal, will be punctually attended to.

CALEDONIA SPRINGS.

THE "CANADA HOUSE," AT THE ABOVE CELEBRATED AND FASHIONABLE WATERING-PLACE, is now open for the RECEPTION OF GUESTS.

VISITORS may rest assured the arrangements will be found to be of the most satisfactory kind—and that INVALIDS will be particularly attended to.

TERMS OF BOARD FOR THE SEASON OF 1851:— FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from R. J. Lemoine, Esq., of Montreal.]

I beg to state that in July, 1850, I went to the Springs for the purpose of testing their efficacy in a case of the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for a few weeks, I returned home one of the most happy men, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, who have visited the Springs, assure me that on their leaving they experienced immediate relief from their cure. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

Montreal, 4th June, 1851.

[Extract.]

DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the Caledonia Springs, as a remedy for the Diseases for which they are celebrated, and from which I suffered myself. I have frequently recommended their use in the affections of the Liver, Dyspepsia, Gravel, and many forms of Cutaneous Disease, and I have invariably found that the Waters produced the most beneficial results, and that persons who visited the Springs, seldom left without great benefit to their health, strength, appetite, and activity of mind. Those who, like myself, were afflicted with Rheumatism, found that the Waters were a perfect specific, seldom failing to relieve the most violent attacks of that disease, such as I have frequently suffered from myself. Numerous testimonials of the Efficacy of the Waters in other diseases, such as Lepra, generally called Scrofula, and other affections of the Skin, I could refer to, but I am sure that a great number of those persons that have tried the Springs, greatly benefitted, but not entirely cured by a moderate course of drinking the Waters, will be induced to return to the Springs, and complete the cure. That these Waters have acted in many diseases as a specific, seems to be generally admitted, and as such respectfully recommended to the public by the Faculty before the Public, that in my opinion would be superfluous.

Member of Royal College of Surgeons, London.

To John Le Willing, Esq., Proprietor of the Caledonia Springs.

Montreal, 12th December, 1849.

DEAR SIR,—I have to state that I consider the use of the Caledonia Waters a very valuable curative agent in the treatment of many diseases for which they are celebrated, and from a favorable Certificate with more confidence than I should, many of my own Patients tested the efficacy, and derived great benefit from the use, of the Waters. Of all diseases for which they are celebrated, in which I have prescribed the Waters, I have met with a more decisive result in Rheumatism, Chronic Affections of the Liver, and Dyspepsia, and I am sure that a great number of those persons that have the Springs
