WANT AD HOROSCOPE

June 13. Some of the greatest poets and musicians were born on this date. Mercury, the governing planet, gives love of change and travel, a vivid imagination and a strong desire for the beautiful in art, music and literature. This temperament is so nervous that it should never be over-stimulated by alcoholic excesses. When a person of this birth date becomes a drunkard there is seldom help for him, but sometimes a great responsibility will make a strong character of the victim.

Both men and women of this birth date are religious and enjoy arguments on religious subjects. This birth date gives exceeding restlessness and a had tendency to keep changing one's mind.

The birthstone is a sapphire, and blue attracts fortune when in jewels. This date is favorable for metal workers to use the Want Ads, for wood workers, for agents and office seekers.

Real Estate and Insurance Agents and Auctioneers, 129 Colborne St., Brantford

We are glad to report that to date sales are considerably in advance of last year, which was the best in our history. During the month of May sales have been made of valuable residential properties on Brant Ave., Lorne Crescent, on Brock St., in the East Ward, valuable block on Colborne St., and good property on Oxford St. Besides, a number of lots have been disposed of in the Jos. Robinson Estate Survey, on the Hamilton Road, and in Prospect Park. It will be seen from the above that selling has been general, and not confined to any one locality. We are looking forward to a very active movement in Elliott Park properties in the near future. Elliott Park is bound to become one of the most popular sub-divisions in the near future. So soon as the Lake Erie and Northern Railway complete their line prices will advance rapidly in Elliott Park, and to all those who may be desirous of purchasing lots for investment, or for homes in the future we say buy now. Do not wait until the Fall, and pay higher prices. This is the time to buy Elliott Park lots, and the sooner you close for a purchase of some of them the better it will be for you. Call at our office and get plans, or we will drive you over and show you the lots. They are on the line adjoining city limits, on Mt. Pleasant St., and on the proposed line of the Lake Erie and Northern Railway from Brantford to Port Dover. BUY NOW!
