TEMPLE BUILDING BUMPER WHEAT CROP Thousands of Men Required in Western Canada. This Year's Harvest Promises to be the Largest in the History of Canada.

According to present indications, the wheat crop of 1913 will be the greatest ever harvested in Manitoba, Saskatchewan or Alberta, thus requiring the farm laborers of the East to assist in harvesting the world's greatest bread basket.

The Governments of the respective Provinces state that many thousands of men will be required for this year's harvest. These will have to be principally recruited from Ontario, and the prosperity of Canada depends upon securing labor promptly.

The Canadian Pacific, on which company will fall practically the entire task of transporting the men to the West, is already making special arrangements for this year. Excursions from points in Ontario to Manitoba, Saskatchewan and Alberta will be run, and special trains operated, making the trip in about thirty-six hours and avoiding any change of cars or transfers. This will be a day's shorter than any other route. Dates, rates and conditions will be announced in a few days.

An abattoir in Dublin is planned by the Irish Meat and Transit Society, which will also construct special boats to ply between London and Dublin for carrying meat.

MARKET REPORTS

CHICAGO, July 29.—Alarm that the yield of corn this season would be short half a billion bushels of what had been expected, swept prices today skyward. Although the topmost level reached was not fully held, the market closed excited at net advance of 1 1/2-4 to 2 1/2-4 cents. Wheat showed a gain of 1-2 to 5-8 cents, and oats a rise of 3-4 to 1 1/2-3 cents. Provisions at the close varied from 5 cents off to an upturn of 15 cents.

The Liverpool market closed unchanged to 1/4 cent lower on wheat and 1/4 cent higher on corn.
