## 700 BABES SET IN ROWS

Most Unique Feature of Toronto's Labor Day Program.

Two Mile Procession in the Town of Galt—5,000 Marched in Parade—Seven Unions Represented in Parade at London—5,000 Walked in Montreal and Stars and Stripes Flaw Alongside Union Jack.

Toronto, Sept. 6.—"The miracle of childhood, that upon this sin-fallen, time-worn earth, there should dawn this eternally, angelic mystery of infancy! It was the race of the raceless, given back to itself, redeemed with a patience that somewhere knows no limit."

These are the words of the latest of the great Canadian novelists in "her splendid story," "He That Eateth Bread With Me," and she must have been at last year's baby show to get the inspiration. This year's "exhibit" at the Labor Day baby show yesterday was so much finer than last in its assembly of babies that the judges desire to have it known that nothing like it was ever seen. Seven hundred angelic little mysteries were lined up in rows in the grand stand, and the patience that knows no limit, quite a different and far more exciting game than poker, was in full play. But the babes were "real good," considering the two hours' sitting which they stood on their merits. On a first ballot there were weeded out all but ten or twelve of the miracles of childhood in each class, and last year's champions were also excluded from the competition. The leap-year class for babies resident in Toronto, born on Feb. 29, drew thirty entries.

In the procession there were over 12,000 union men in line, and the parade was one of the finest ever seen here. In addition to the baby competition, already referred to, there was a great program of games and sports.

### Good Day in Galt.

Galt, Sept. 6.—A most successful demonstration was held here yesterday by the local trades and labor council. The crowd was the largest that has been in town in many years, and not in the history of the county has there been so big a demonstration. The procession in the forenoon over two miles long and numbered 1,100 unionists.

Sarnia, Sept. 6.—5,000 marched in the Labor Day procession here. The day in London.

London, Sept. 6.—The holiday was a brilliant one in this city, despite the fact that large numbers of citizens are out of town. The demonstration by the different labor organizations of the city was the largest ever held here, and was witnessed by thousands of citizens at Queen's Park. The monster parade left the market square at 12:30 p.m., and was very largely attended, twenty-seven unions being represented. Both city regimental bands were present, as well as a pipers band.

Guelph, Sept. 6.—The labor organizations of the city held a grand demonstration here yesterday, commencing in the morning with a trades procession of all the different trades of the city and businesses, and was at least half a mile long, and was headed by the Berlin musical band and the Guelph band and ended up with the Hesper-Weimer band. In the morning games were held in the park. In the evening a grand musical concert was held by the Berlin and the Guelph bands.

5,000 in Montreal. Montreal, Sept. 6.—The annual Labor Day parade took place yesterday. Five thousand took part in the procession, and it must be said that it would be difficult to find a better dressed and more prosperous looking body of workmen than that which marched through the streets. The Union Jack predominated, while a delegation from Burlington, Vermont, carried the Stars and Stripes. There was no religious ceremonies connected with the demonstration.

Hamilton's Largest. Hamilton, Sept. 6.—The Labor Day demonstration was the biggest kind of success. The procession was one of the longest ever seen in Hamilton. Its only weak point was the scarcity of floats. The games and sports at the Jockey Club drew a crowd of nearly 10,000. There were fifty-one events for unions and special open program.

Labor and Citizens' Day. Toronto, Sept. 6.—Yesterday was Labor and Citizens' Day at the Canadian National Exhibition, and there was an immense attendance. The judging of the horses and cattle continued apace, and an immense amount of work in these lines was got through.

The attendance at the Fair yesterday was considerably in excess of any prior day in the history of the Exhibition. As nearly as the directorate could estimate at 9 o'clock last night 96,000 people had passed through the turnstiles.

Death in a Church. Hamilton, Sept. 6.—While conducting the service at All Saints' Church Sunday evening, Rev. F. Burt threw up his hands and fell to the floor in the reading desk in a dead faint. He was carried to the rectory, but died in a very short time. He was 77 years of age, and was superannuated by the Diocese of Toronto. England was his birthplace, but he had spent the greater part of his life in Canada. At one time he was rector of Christ Church Cathedral, Montreal.

## QUESNEL'S GREAT GOAL TURNED TIDE TO VICTORY

Chatham on the Road to Dominion Lacrosse Championship—Had Orillia Going and Refusing to Play off Tie—Manager Babcock's Astute Move—Magnificent Game Cheered by Thousands.

A fierce scrimmage about 30 feet in front of the Orillia goal. Hither and thither bounded the ball, followed by seething, struggling forms and swaying, swishing, cracking lacrosse sticks—the whole an apparent mad mass of moving humanity. The ball bounded six feet in the air. A stick shot out and drew it down ere the fusillade of blows smashed and fomented the atmosphere. Will Quesnel held the coveted sphere. For a twinkling he crouched beneath the wild avalanche of battering blows; then with almost superhuman agility and speed he threaded his way through that indiscriminate mass—foot by foot nearing the Orillia flags. Twice the ball was knocked from his stick, twice he recovered it; once he stumbled over a prostrate form and seemed to fall down.

There was a breathless silence—then a wild roar of pent-up enthusiasm from a myriad throats in the vast crowd. Staggering out almost in the mouth of the goal, Quesnel drew back his stick, made a vicious swing and, with the speed of a bullet, the ball shot into the Orillia nets. Within 15 minutes of the call of time—and the game was over!

Not alone that Quesnel's feat stirred the great crowd and stimulated the Tecumseh players. It was all over for Orillia, and shot after shot rained on their citadel. Time and again the visiting captain petitioned for time, as his men weakened before the untiring onslaught, while the audience whetted itself into a frenzy of joyful enthusiasm.

But it was not to be. The relentless watch ticked off the time limit and the whistle sounded the success unchanged. The game was saved—but not won.

Orillia has been here, played their game and gone, and still the issue between the Tecumsehs and the fast Orillia lacrosse team remains the same—a tie.

Those who were fortunate enough in seeing the lacrosse game yesterday, saw, without a doubt, the fastest and cleanest exhibition of Canada's national game ever played in Chatham. The only disappointing feature of the play was the finish. These two teams played a tie game in Orillia, and in this, the final game of the Intermediate championship series, everyone looked for a conclusion of the contest, never anticipating another tie. At the end of the game, when the score stood 1-1, Manager Babcock, of the Tecumsehs, wanted to play the game off and appealed to the referee for his decision. Orillia did not wish to finish the game, tie being content to leave it a tie, which would call for another game to decide the championship. Mr. Wagborne ruled there was nothing in the rule book to force Orillia into playing off the tie although it was customary for teams to do so. Mr. Babcock then lined up his men and ran down the field and scored another goal. The case will now be left with the C. L. A. council to deal with. They will either award the game to Chatham or order it to be played off on neutral grounds.

It was a thoroughly enthusiastic crowd, some thousands of people, who assembled on the Peninsular Park to witness the game. The Tecumsehs have no reason to complain of the support of the Chatham people. Everyone wants to see them win the championship and they were all there to see them do battle for it. No one in the grand stand or the bleachers could complain of the game Chatham put up. They were matched against the fastest Intermediate team of the province and they did themselves credit, every one of them. Long before the game started the crowds had filled the grand stand and bleachers and were applauding and yelling, anxious for the game to proceed.

The Orillia boys appeared first on the field and as they ran on the field past the grand stand they were given a good round of applause. They left Orillia Sunday morning and stayed in Hamilton that night, and arrived in this city at a quarter past two o'clock yesterday afternoon. They dressed almost immediately and as they trotted on the field for their preliminary work-out they looked fresh and fast.

The Tecumsehs, who were already dressed and waiting for them were on the field soon after, and when they made their appearance the crowd went wild with applause.

Referee F. C. Wagborne was a little late in arriving, but he commenced the game as soon as he arrived, and the interest and enthusiasm commenced.

The first quarter belonged almost entirely to Chatham, but they were unfortunate on the flags. The game started with a fast rush on the Orillia goal. The ball was indeed exciting. Quesnel, McLaren and Grace, the home field, came down the field together. When they, by clever pass-

ing and maneuvring passed the Orillia defense field, Quesnel secured the ball, ducked the cover point and shot. It was a good swift one and the point man missed it, but Arens, the big Orillia goal keeper, was there and made a beautiful stop. This was a sample of Chatham's luck during the game. Although the Tecumseh home players were not completely at themselves at times, they made many a brilliant rush, but Arens played a stun game and many a succession of good plays were blocked before his nets. About four minutes after the quarter started the Orillia line flared found the ball and made their one lone rush of this quarter and Wilkinson scored in 4 minutes. This ended the quarter, but at the last moment the Tecumsehs seemed to be having the better of the play. Hammond was laid off for three minutes and Elliot, Chatham's favorite defense man, received a bad knock on the nose.

In the second quarter the play was about even. The ball was first at one end and then at the other. Orillia's home worked splendidly and it was only owing to Chatham's peerless defense that they did not score. Robb, in the Chatham goal, had a few fine shots to stop. Many of the shots, however, were from long distance range and were looked after before they got to him. The Chatham home were also going up against a stiff proposition in the Orillia defense and although they got in closer than the Orillia home did, the result was the same—no scoring. Whitehead was laid off for three minutes. Half time ended 1-0 for Orillia, and, judging from the play, it looked as if this would be the final score. It seemed impossible for either side to score.

At the end of the third quarter the score was the same, with Orillia having the best of the game. Orillia made their mistake here. They commenced to do a little "ragging" on the side lines. It was too early in the game for this and the Tecumsehs wouldn't stand for it. Captain Babcock saw it and fouled one of the Orillia players in the hope that he would be ruled off and in the face of that would follow a Chatham man would have an equal chance of getting the ball. It was an astute move, but Referee Wagborne saw through it and Mr. Babcock was not ruled off, but merely cautioned.

When the teams lined up at the beginning of the final quarter, the Tecumsehs were fresher than their opponents, and they started it off with a rush. McLaren made a beautiful shot but it was stopped. Shots commenced to rain in on the Orillia goal and in 51-2 minutes Quesnel, who, by the way, was paying the game of his life and was one of the stars in the field, netted the ball, securing Chatham's first and only goal. The enthusiasm of the crowd knew no bounds. They ran on the field cheering and shaking hands with the Tecumseh players.

This stopped Orillia's ragging for the rest of the game and the players went in for blood. Chatham, however, were encouraged by their goal and had the better of the play for the rest of the game. Orillia seemed fagged, and it was easily seen that they did not expect to score. Although the play was fast and interesting the game ended 1-1. Dunn was hurt in the last quarter and both Carter and Dunn were sent to the fence.

It would be hard to pick the Chatham stars—they were all stars and they all played good, swift, clean lacrosse. Robinson stopped all of the shots that were not eaten up by O'Doherty and Francis. Pickering, Elliot and McBride made a defense field that Orillia couldn't pass, and Haydon at centre played magnificently. Grace, Quesnel and McLaren were the home field and they were fast, Quesnel doing especially good work. Carter dodged them all, and Stewart was also where he was needed. McLaren's long shots were close and Grace ducked and dodged and worked hard.

For Orillia, Wilkinson was a star on the home. Their whole home is fast. They play faster ball than the Chatham home and several times their work was dangerous for Chatham. Rose also is a star. It would be a fair comparison to say that Orillia has the faster home but the Tecumseh defense is far the superior.

It now remains with the C. L. A. Executive to say whether the game will be awarded to Chatham or whether it will be played off on neutral ground. F. C. Wagborne made an impartial referee and kept the game interesting and lively.

The following was the line-up:—

CHATHAM.  
Goal—Robinson.  
Point—O'Doherty.  
Cover point—Francis.  
1st defense—Pickering.  
2nd defense—Elliot.  
3rd defense—McBride.  
Centre—Haydon.

Continued on Fifth Page.

## ON "TRUE CITIZENSHIP"

But One Process By Which World Could Become Christian.

Men Cannot Be Christians By Mere Tradition or Respectability, Says the Archbishop of Canterbury—His Grace Shows Toronto From the City Hall Tower—Spoke to the Canadian Club and City Fathers.

Toronto, Sept. 6.—In St. James' Cathedral on Sunday, in a voice full and rich and confident, the Archbishop of Canterbury preached to a full congregation from St. Paul's words to the Philippians, "Our citizenship is in Heaven." He concluded an impressive sermon with these words: "You cannot be Christians by mere tradition or respectability. The person of the Master must be before your eyes with claims as diversified as their faculties." He would help to purge their pollution, to conquer their lusts, to enlighten their minds, to deepen in them everything good, true and just. Thus would life be worth having, and increasingly so, to the end. They must not make the fatal mistake of imagining the world could become Christian by any other process than by deliberate and courageous acceptance of the law of Christ, and their decision and resolve to follow that law.

Archbishop at the Fair. Toronto's important visitors, the Archbishop of Canterbury and J. Pierpont Morgan, were early visitors, arriving at the Fair at 9 a.m. His Grace was accompanied by the Bishop of Toronto and other clerical gentlemen, and visited a number of the buildings. He was particularly impressed with the exhibit of furniture and quite surprised that such goods were turned out in Canada. He also priced a number of carriages, and remarked that they were exceedingly cheap, the price being about half of what he would pay in England.

He Really Knows Toronto. "Now I feel that I really know Toronto," said His Grace the Archbishop of Canterbury yesterday when Mayor Urquhart took him up to the top of the City Hall tower and showed him the six wards and the island, and the regions round about. In the afternoon His Grace addressed the Canadian Club in St. James' schoolhouse, and said many good things which will be of service in laying broad and deep the foundations of Canadian success laying especial stress upon that righteousness which exalteth a nation. Three cheers and a tiger greeted the close of the address.

The City Hall fathers were visited, as well as the Normal School and the Parliament Buildings, and the Strachan school, at all of which remarks eminently suitable were addressed by the Archbishop to his audiences.

Over 15 Bushels An Acre. Winnipeg, Man., Sept. 6.—In Southern Manitoba, good progress is being made with wheat cutting. A few districts are reporting whole crop in stock, while many have as much as 50 and 60 per cent. cut. To the north of the C.P.R. main line the progress has not been so great. Should frost keep off, it appears that the estimate of 15 bushels per acre for the whole of the Canadian west will probably be realized.

Patrick Breen Dead. St. Catharines, Sept. 6.—Patrick Breen, a prominent railroad contractor, died very suddenly here yesterday. While in Hayes' cigar store he met a friend. While shaking hands he dropped to the floor dead. Heart trouble is given as the cause. He was 66 years old and leaves a widow, one son and one daughter.

All great work consists of small deeds. Peace rules the day where reason rules the mind.

Peace rules the day where reason rules the mind.
