#### EARL IN RUNAWAY

His Excellency's Carriage Collides
With a Delivery Wagon.

Toronto, Dec. 3.—His Excellency
Lord Grey narrowly escaped a injury
in a runaway accident on Saturday
evening, when returning to Government House from making a call in
the west end. His excellency was
alone in a two-horse carriage owned
by the Verrall Co. and driven by
John Blow.

At the corner of Tecumseth and
King streets a runaway horse attached to a delivery wagon owned by
Robert Thompson, 628 West King
street, and driven by Robert Linton,
collided with his excellency's carriage. Driver Blow was thrown from
his seat and his frightened team
dashed east on King street. At the
corner of Bathurst one of the horses
fell and the other was grabbed by P.
C. Childs.

Stepping from the carriage, Lord
Grey immediately inquired for his
driver, who had been picked up
slightly injured. His excellency signified his intention of walking to
Government House. Patrol Sergeant
Umbach offered to escort him, but
Lord Grey kindly declined.

SIX INDIANS DROWNED.

Were Returning From Work In the Lumber Woods.

Lumber Woods.

Wiarton, Dec. 3.—Another disaster has occurred on the waters of the Georgian Bay. On Saturday afternoon six Indians of the Cape Croker reserve were drowned in McGregor Harbor almost in sight of home. These Indians, whose names were W. E. Lamorandiere. Xavier Nadjewon, Louis Johnston, Joe Martin, George Mitchell, and Louis Nadjewon, were timbering for J. P. Newman, lumberman, of this town, near Sydney Bay.

There is universal mourning on the Cape Croker reserve, as this is one of the saddest accidents in its history, and four of the men were married.

FUEL FAMINE IN NEVADA.

Coal Cannot Be Had and Wood Brings High Prices.

Brings High Prices.

Reno, Dec. 3.—Unless the fuel famine in Nevada is broken immediately, suffering and sickness and perhaps death will follow in the wake of the storm which has raged for the past two days 'n Southern Nevada.

Coal cannot be obtained in Goldfield or Tonopah, and wood is bringing exorbitant prices. Ties and telephone poles are burned.

Wood \*70 a Cord.

Goldfield, Nevada, Dec. 3.—A fuel famine exists in Goldfield, the supply of wood being exhausted. What fuel arrives from the hills is bid up by competitive buyers, the record price being \$70 a cord. The railroad is bringing in old ties. There is a similar scarcity of coal.
