# THE UNION ADVOCATE, WEDNESDAY, APRIL 13, 1881.

Cable advices state that Sir Charles

In the House of Commons on the after-

#### "POOR EARNIE."

THE "ADVANCE" WRIGGLING.

MESSRS. EDITORS .- The "Advance" comes to the rescue of "Poor Earnie" in Mr. Gladstone, not wishing to be events cast their shadows before. he must necessarily abuse Mr. Adams. I had thought he stated in a former issue that in a constitutional way." He then was ment which Scotland enjoyed. surely defending Mr. Adams on this vote at least. But, Messrs. Editors, the explana-tion is so much the worse for my friend Reserved to the principle to guide Eng-"Earnie." The "Advance" states Mr. Hutchison moved and voted for an amendland in regard to Ireland." ment which clearly set out that the resolu- ter the delivery of the speech. The tion of Hon. P. A. Landry was not one of general opinion was, that if the bill such a character that the Legislature should such a character that the Legislature should interfere. Was not his amendment then moved for the purpose of defeating the ori-

ginal resolution, and if so was it not an ex- land. ession averse to the Temperance body. No one thanks Mr. Hutchison in voting for will alter the bill. the original resolution when his amenda was defeated. If " Earnie," as Mr. Smith calls him, was a consistent Temperance man, he should not have allied bin self with his two other colleagues. The people know they are not Temperance men, make no proions of being in favor of the Act, A correspondent under date of Camp "Earnie" is, and Earnie went back on his record. The "Advance" must not imagine its usual bluff game of misrepresentation can clear his friend Earnie of the fact, that served in the evening. his vote went to establish the idea that our County was against the Temperance Act. I do not desire to defend the other Members holding them equally responsible, and Mr. Smith must not try and wriggle out of a square vote, by defending Earnie, and con-demning Messrs. Adams and Gillespie. Sunday last. Yours,

TEMPERANCE. Chatham, 9th April, 1881.

#### THE SOUTH WEST BOOM BILL.

Another correspondent favors us with To the Editors of the Union Advocate : Since writing to you on the above sub-ject, I obtained the "Advance" newspaper he following :-

they asked the Legislature to preserve the prosperity to the interest taken in its af-rights they held for centuries, and blindly fairs by the Chairman of Trustees. The most restrictions of the Corpora-

tion, and of which I have now heard he is a Stockholder or Director, and thereby must share in the extra profits that this Boom Company will take out of our pockets. It is well at least to find the "Advance" defending Mr. Hutchison in this, the issue is a square one. Will the electors on the Main South West and its Branches support Mr. Hutchison and the South West Boom Company, or stand by our three Members who fought against this powerful combination, which has helped to ruin many of our people and now grasps at the exclusive right to raft to the "old Squaw Rock," against every settler or small or large opera-

tor on the river. I am not mistaken in saying Mr. Hutchison will find he has missed his game, that the people will not forget his action in this matter, and if the South West can rele-gate him to his native home it will surely done. A representative acting as the Attorney of a Corporation, one of its Stockholders, a Director, &c., and then ask for
