**You'll know then why the Popular Furniture Store is doing the Furniture business of St. John's.**

Our Customers get more satisfaction and merchandise quality than they pay for, and we are ready to do the same for you in no matter what you buy.

This store was established to help wage earners to have homes of their own.

That the Furnishing of a Complete Home Outfit to honest wage earners on weekly or monthly payments is right has been demonstrated over and over again.

We were the first to start the idea here and still continue to give those worthy of it an opportunity to furnish their home on a small amount from their pay envelope.

Buyers of Furniture to-day look for articles of superior quality at a reasonable price. Impossible claims sell a customer once, but true value brings repeat orders. We want your repeat orders.

When you are in doubt, be guided in your selection of Furniture by the experience, judgment and advice of others, who know that this store is a repeat order store and keeps its promises.

We are Home Outfitters in a true sense of the word. Manufacturing and importing lines of Furniture, Bedsteads and Bedding in such quality and quantity that we can positively fill your order with satisfaction and quick despatch.

**Thaw Free for Five Minutes.**

Concord, N. H., May 9.—For five minutes yesterday Harry K. Thaw, Matteawan fugitive, was technically free. This was after Judge Aldrich had signed an order for his release from custody on a Habeas Corpus warrant, previously issued by him to the Federal Court.

Immediately afterward, however, Judge Aldrich remanded Thaw into

the custody of Sheriff Holman Drew pending the outcome of his case before the United States Supreme Court. The appeal of the State of New York from the decision was filed at 6 o'clock and contends that the Court erred in nine points.

**VOYAGE OPENED**—The fishery has opened at Point Verde. Several fishermen have made good hauls from their trawls during the last few days and the outlook for a successful voyage is bright.**SINDBAD ARRIVES.**—The s.s. Sindbad, Capt. McCarthy, arrived from Montreal direct last evening, bringing a full cargo, principally flour, to Shen & Co. The steamer encountered ice off the Southern Shore yesterday morning, and in consequence was detained several hours.**SPRING CLEAN** by going to **SPURRELL BROS.** and ordering that Suit and Overcoat you were thinking about. The fine weather is coming sure. Next door Parker & Monroe's.**Marine Disasters' Fund.**

R. WATSON,

**Where Responsibility Lies.**

No matter how large, or how small, a business may be, nobody can deny that its Office is the nerve centre of the firm. Every transaction, important or trivial, must be recorded at the Office. An order is received at the Office, its history is recorded at the Office, and finally payment is received at the Office. If the Office makes an error the firm stands the loss. That's why you must be sure that your office is modern and dependably equipped for the care of all important papers. To do this effectively you need the up-to-date equipment of the "GLOBE-WERNICKE CO." When sixty offices in St. John's have found this necessity this equipment can surely be of use to you. Mr. Percie Johnson represents this world known firm in Newfoundland.

**Mistifs.**

So many men now wield the pen, who should be herding cattle! So many shirts who should be clerks now make the welkin rattle! So many skates are filling dates as Hamlet or Othello, who ought to rush and get a brush and paint a cowshed yellow! I go to church and take my perch where I can hear the speaking, and then the priest knocks gaffley east my comfort, with his squeaking. I concur seek, say twice a week, to hear some music charming; then tuneless jays a discord raise—they should be busy farming. And there are dames who jar our frames, with their dramatic readings; we wish they'd quit, and sew and knit, but they resist our pleadings. Of 'leven men it seems that ten to wrong trades are committed; we seldom find a man whose grind is that for which he's fitted. Thus knights and peers are auctioneers and blacksmiths are musicians, and gifted bards are spading yards, and grocers are physicians. Yet let's be gay, the livelong day, and dance and sing and frolic; it will not help to kick or yelp, or have eight kinds of colic.
