### This Date in History.

DECEMBER 17.

New Moon 17th.

Days Past—350 To Come—14.  
**JOHN GREENLEAF WHITTIER** born 1807. America's Quaker poet was the son of a New England farmer, and for a time followed the trade of a shoemaker. Then after some experience in journalism he published his first book of poems "Legends of New England" (1831), which was warmly received both for the strong abolition sentiment it expressed and for its worth as poetry. His ideals were high, and he lived up to them.

**SIR HUMPHRY DAVY** born 1778. The eminent chemist who began life as an apothecary's apprentice and whose researches and discoveries were of great scientific importance. He invented the safety-lamp.

**B. QUARITCH** died 1899, aged 80. A famous dealer in rare books whose shop in Piccadilly was a storehouse of literary treasures. His knowledge of scarce and valuable books was unique.

#### A PRAYER.

Sir Conan A. Doyle.  
God save England, blessed by fate,  
So old, yet ever young;  
The acorn isle from which the great  
Imperial oak has sprung!  
And God guard Scotland's kindly soil,  
The land of stream and glen,  
The granite mother that has bred  
A breed of granite men!

God save Wales from Snowdon's valet  
To Severn's silver stand!  
For all the grace of that old race  
Still haunts the Celtic land—  
And, dear old Ireland, God save you,  
And heal the wounds of old,  
For every grief you ever knew  
May joy come fifty-fold!

Set Thy guard over us,  
May Thy shield cover us,  
Enfold and uphold us on land and  
on sea;  
From the palm to the pine,  
From the snow to the line,  
Brothers together and children of  
Thee.

Thy blessing, Lord, on Canada,  
Young giant of the West,  
Still upward lay her broadening way,  
And may her feet be blessed!  
And Africa, whose hero breeds  
Are blending into one  
Grant that she thread the path which  
leads  
To holy union.

May God protect Australia,  
Set in her Southern Sea!  
Though far thou art, it cannot part  
Thy brother folks from thee.  
And you, the Isle of Newfoundland,  
The oldest Jewel fair,  
Ocean hemmed and lake begemmed,  
God hold you in His care!

### Grand Falls Report.

We have before us the report of the Directors of the Anglo-Newfoundland Development Company, Ltd. It was issued on Nov. 21st, and contains the financial statements for the year ending August 31st, 1914. After making allowance for depreciation the profits of the year are reckoned at \$71,166-15-84, as compared with \$85,054 in 1913, and \$51,233 in 1912; £10,000 of this is used to purchase Debenture Stock for cancellation, other amounts are used to pay interest on debentures and for the Sinking Fund leaving a balance of £36,288-75-6d. to be added to the credit balance of last year, which makes a total of £81,476-148-2d. carried forward to the credit of Profit and Loss Account.

The output of the mill during the past year has been very satisfactory, and the quality of the paper and pulp has not only been maintained but improved. Considerable sums have been spent in effecting improvements, and the company has acquired the remaining water and timber rights in the watershed of the Exploits Valley above Grand Falls, including an area of 250 square miles of very valuable pulp timber lands. The Company gave \$5,000 to the Sealing Disaster Fund and the Company is also making up any loss in pay their employees met by joining the Newfoundland Contingent. Lord Rothermere has succeeded Mr. M. Beeton as President, and Mr. Andrew Caird has succeeded Mr. Kennedy Jones as a Director of the Company. It is satisfying to note the progress of the Company during the year and that it has justified the main object of its existence in providing supplies of pulp and paper during a great European war.

**ENGAGEMENT.**—The engagement of Miss Mary F. Dillon, housekeeper with Rt. Rev. Mgr. Reardon, P. P. Placentia, to Mr. Matthew Murphy, of the Colonial Carriage Co. is announced. The wedding will take place at Placentia, on January 7th, next.
