Traders on Margin!

The recent set-back in the general market has almost restored values to their proper levels, but in some cases many extremely good stocks are deflated because of existing conditions, and are now sure investment bargains. We represent E. M. Fuller & Co., New York City, and can buy or sell for you any stock or bond listed in New York or Chicago at regular rates.

We offer investors prompt trades and personal service, and on this basis we solicit your business.
