There Must Be a Reason
That a great many of the garments that we have received in the past month were from new customers who had those garments mishandled by other dyers and were sent to us as a last resort before a settlement was made with the owner. We were able to doctor up the majority of those crippled garments to the entire satisfaction of those owners. If you have any sick garments of this character send them to us. If our customers don't accept the garments after we doctor them, don't pay us. No cure no pay. We have received a new shipment of dye, the best on the market. Raglans cleaned and dyed at shortest notice. Outport orders get my personal attention.
