WILD CHERRY BALSAM.—The memory

WILD CHERRY BALSAM.—The memory of Dr. Wistar is embalmed in the hearts of thousands whom his Balsam of Wild Cherry has cured of coughs, colds, consumption, or some other form of Pulmonary disease. It is now over forty years since this preparation was brought before the public, and yet the demand for it is constantly increasing.

fore the public, and yet the demand for its constantly increasing.

Mr Fellows is daily in receipt of letters of enquiry, from various parts, respecting its Syrup of Hypophosphites. One rehently received, leads to the belief that the public mistake his meaning in refertnee to its effect in imparting superior energy to the mind. Where the intellect has been impaired by overwork or by kindred causes, the use of the Syrup, the gether with proper precaution in the use of food, clothing exercise and rest, will restore full power to the brain and nerves. Superiority in genius cansists in great capcity of brain for assimilating material from every quarter, and of developing in proportion, but as by far the greater number are not well endowed by nature, consequently lacking this capacity, it would be quite impossible fo find cranium space for material necessary to constitute the brilliant genius. Hence, although the Syrup will assist in restoring the mind which is lost, it cannot change a natural born idiot into an intelligent man.

When of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c.
