LacrosseMOOSE JAW CRIPPLES SLAMMED THE BRONKS
OVER THE HEAD WITH THEIR CRUTCHESWalter Frink Is Suffering From a Fractured Pitching Record
While the Millers Fatten Their Batting Averages—
The Score of the Sad Affair Was 6 to 0

The so-called cripples from Moose Jaw proved themselves to be a pretty healthy bunch of mortals last night, when they took the arm of a derrick and banged the Bronks in the tenderest part of the score column, winning the second game of the series by the score of eight to six. It was a sad, sad affair, in which Pitcher Walter Frink fractured his perfect record in a thousand pieces while the Millers fattened their batting average and their league standing.

The Millers jumped into the lead right at the start, getting three runs in the opening round, and although the Bronks made a desperate effort to recuperate, the nearest they came to the score was when they tied up the score in the shape of the figure five in the fourth inning, only to have the alleged cripples draw away from them and finish with a margin of two runs on their side of the ledger.

Northrup, who flung the no-hit-run contest against Medicine Hat last week, was selected to do the mound duty. He didn't seem to have anything on the ball except the cover and his reputation. The Bronks didn't have much trouble in connecting; in fact, they hammered out more hits than did the victors, but they could not connect when his meant runs, and that was the whole trouble.

Northrup was lucky all the way through, and in the sixth inning his team mates pulled him out of trouble by close fielding, although he was only able to lob the ball over the plate because of an injury to his hand. Julie Streib caused the injury to his hand when he shot a hot one down toward second. Northrup got his bare pitching hand in the way of the ball, but did not stop it. The force of the contact benumbed the paw to such an extent that he was not able to fully close his digits around the sphere for the remainder of the inning. He just lobbed them over, uttering a prayer every time he did it.

Bronks Looked Foolish.
The Bronks looked like kindergarten

pupils at a college examination. It was ridiculous, and if it were not pathetic it would have been awfully funny. The side was retired without a run, and then in the next inning Rossbach came in from the field to take up the mound duties, while Northrup took his successor's position in the garden. Rossbach was hit for five bingles in three innings, but only one run resulted. Today the Jaws will complete their series with the Bronks. Thus far they have made a better record than any other club which has visited here. They are the first club to take two games of a series from the Bronks, and they may make it three straight tonight.

PRESIDENT GRAY MIGHT
GET SOME POINTERS

The Western Canada and International league are not the only organizations that have salary limits this year. The Big Four lacrosse association, now that the poor old N.L.U. is out of the running, and Con Jones has agreed not to coax the players west, has cut salaries down to a minimum. Last year's princely salaries were a thing of the past according to the Big Four leaders. Hold-outs in the lacrosse league are beginning to appear. The players too, and all teams, the Toronto in particular, are having trouble lining up strong aggregations.

When The Albertan stated last summer that the firing system as adopted by the Big Four was a frost, The Toronto Telegram suggested that lacrosse had never been played in Alberta. However, since then the leading sport writers in the east have expressed similar opinions of the firing system and it is likely that the penalty system will be improved this summer.

MOOSE DEFEATED CUBS

The Moose defeated the Cubs last night in an intermediate league game by the score of 12 to 8. The Cubs pounded McConkey out of the box in the first innings, after scoring seven runs. McConkey, who relieved him, twirled a steady game. In the fourth the Moose scored the delivery of Johnson and tallied seven runs.

EDMONTON HAD A TASTE OF
REAL VICTORY

Home Run by Skeels With Two on Decided Contest in Favor of Eskimos

Edmonton, May 20.—A home run by Skeels over the left field fence with two men on bases in the first inning gave Edmonton a lead of three runs in today's game which proved too much for the Eskimos. Hat to result in a local win, 4 to 2. Skeels also worked the squeeze play in the sixth inning with Dudley on third. Two out the Indian laid down a perfect bunt, Dudley scoring. Heinricks was in great form. He struck out 12 men and issued only two passes. An unaccountable loss of time system and errors by Reddick and Dudley accounted for two runs by the visitors. Giddings' double, with Daniels on first, scored the other.

FERDY MANNING COPS ONE
MORE BIG VICTORY

Star Southpaw With Quakers
Still Has Perfect Record—
The Score Was 3 to 1

Saskatoon, May 20.—"Ferdie" Manning won his fourth successive game in the "Big Six" today, when the Quakers defeated Regina, 3 to 1, before 1,500 spectators.

Burgess pitched for the Red Sox, and was wild at critical times, although he performed in good style during most of the game. Manning was steady but was hit rather freely. The Quakers gave him good support, while Regina backed Burgess poorly.

LUTHER McCARTY'S FIRST
APPEARANCE IN PRINT

This is the very first picture of Luther McCarty which ever appeared in print. It was published two years ago last February in The Morning Albertan.

At that time Luther was touted as "The Calgary White Hope." Not much notice was taken of Luther in those days, but in the brief period of two years he has risen to the top, and is recognized as the white heavyweight champion of the world. He will defend his title against Art Pelkey on May 24. Note the pose that Luther assumed at that time. It is vastly different from the way he sides up to a camera in these days of fame and prosperity. Bill Oliver took the picture.

Important Soccer Meeting Tonight.
The Calgary City and District Soccer league will hold a special meeting tonight in the Y. M. C. A. at nine o'clock. The business will be of a very important nature, and all the delegates are requested to be present. Mr. A. Robertson, president of the league will be in the chair.

TO REFEREE BIG BOUT

A famous referee who will act as referee of the ten-round bout between Luck McCarty and Art Pelkey on Saturday. Smith is the sports editor of The Chicago American. I saw an interview with The Morning Albertan.

Smith states that the coming bout is looked up to by the pugilistic world as equally important to the Pelkey-McCarty bout on New Elfers Bay. Smith will arrive in Calgary on Friday.

There was much clinching in the seventh, and Referee Selig was kept busy separating the pair. Both showed up perceptibly and not until the tenth round was there a real milling resumed. Smith then split the Kansas ear with a right swing, and blood flowed in a stream from the wound. The advantage at this stage was with the Gunner.

The Gunner poked away and bothered the giant who clinched repeatedly, trying to avoid punishment during the next few rounds.

Willard opened the fourteenth round.

ED. SMITH LEAVES CHICAGO
TO REFEREE BIG BOUT

Famous Boxing Judge and
Newspaperman Says Bout
Is Very Important

(Special to The Morning Albertan).
Chicago, May 20.—Ed. W. Smith, the well-known Chicago newspaper man and boxing referee, left this city shortly after midnight for Calgary, where he will referee the championship battle between Luther McCarty and Art Pelkey.

Smith is my first visit to the northwest, and I am looking upon the trip with great interest. The rapid growth of the country, and the fact that it is able to stage a boxing of his magnitude has been a source of astonishment for the citizens. Calgary is getting a world of advertising out of local friends when in Calgary and in expectation to accompany the fans to Edmonton Saturday afternoon to witness the Welsh-Scalor battle in that city that night.
