The residence of Mrs. Kerr, Adelaide street, was the scene of a very interesting event last evening, it being the marriage of her daughter Lizzie to Mr. Chas. Currie, secretary of the Street Railway Company. Mr. Crossin acted as best man, and Miss Maggie Kerr, sister of the bride, as bridesmaid, the ceremony being performed by Rev. Mr. Harrison. A large number of invited guests were present, some from a distance, who wished the young couple much happiness. Many valuable presents were received, which attested to the esteem in which the young people were held.

A Tinsmith's Heavy Fail.

Harry Braddon, tinsmith, a young man about 24 years of age, and a boy named Wilkinson, went out to a farm yesterday near Mount Brydges to take the measure for an eavestrough on a barn. The ladder was not quite long enough, and standing on the side pieces at the top he went to shift his position and fell about 32 feet. He lies in a serious condition, and it is not known whether he will survive or not.

The New Waterworks Springs.

a serious condition, and it is not known whether he will survive or not.

The New Waterworks Springs.

The Water Commissioners met at the Mayor's office this morning. In the matter of the purchase of additional spring property west of Springbank the City Engineer reported that he had obtained the following prices from the owners: (1) J. Dufton, 12 acres, \$1,200, will not sell river lot alone; (2) P. Flint, 25 acres, will sell 16 acres river lot for \$3,000, and remainder on which is a house, barn and orchard, for \$4,000, he to remove the buildings; (3) J. Coombes, 16 acres and house, \$2,000; (4) J. W. Colville, 35 acres, \$100 per acre and one year's revenue from additional water thus secured, with permission to remove buildings. The Engineer recommended that the necessary lands be secured at once in order to allow the necessary work to go on and that the question of payment be placed in arbitration. The Board decided to instruct the Solicitor to take im-

mediate action towards having the cost placed in arbitration. The request of the C. P. R. for a fixed water rate was considered and laid over until the regular meeting of the Board, the Secretary in the meantime to ascertain how much water the railway intends to use. A resolution was carried requesting the Council to furnish the Commissioners with the moneys required for the purpose of increasing the water supply and extending the mains in accordance with the statute passed at the last meeting of the Legislature. last meeting of the Legislature.

NEIGHBORHOOD NEWS.

-Resex farmers will join with Ken - Essex farmers will join with a consideration and have an excursion to the Model Farm, Guelph.

- During the storm the other night lightning struck the barns belonging to the Karn Hotel, Beachville, and they were burned to the ground.

The Cluff property, on the north side of Maria street, Sarnia, was sold by public auction last Wednesday. A farmer from Warwick was the purchaser at \$1,800. -Mr. W. Gilbert, of the car wheel foundry, St. Thomas, had the top of the second finger of the right hand taken off by a car wheel falling upon it Wednesday

morning.

The storm on Tuesday night blew over two shanties occupied by colored people on McDougall avenue, Windsor, but no one was injured. An elm tree on Aylmer avenue, considered the largest tree in the county, was also blown down.

Coughs, Croup

Allon's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few houre' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will preventitif only taken in time. For Consumption, and all diseases that lead to it, such as ventitif only taken in time. For Consumption, and all diseases that lead to it, such as ventitif only taken in time. For Consumption, and all diseases of the Lungs. Allen's Lung Balsam will preventity and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced Cough Cure.

If you have not tried the Balsam, call for a 25-cent bottle to test it.
