Smithe Falls Woman Dies From the Effects of a Thrashing by Her Husband.

Smith's Falls, Sept. 18. - Mrs. Ann Blake, wife of Thomas Blake, of this town, was found dead in an upper room of their house this morning, under circumstances that required investigation. An inquest was begun and adjourned owing to the absence of an important witness.

The body when discovered was in nearly a nude state, and was covered with bruises and abrasions from head to foot-some old, some recent. It appears that Blake and his wife, to-gether with a man named Henry Mc-Grath, were drinking together on Saturday evening, and Blake, becoming jealous of McGrath, beat his wife with McGrath has not been arrested yet, but search is being made for him. Blake, on being asked to go to work on Monday morning, said he could not, as his wife was dead. He also said she died 9 o'clock Saturday night; that she was misbehaving, and that he had thrashed her with a stick. He was placed under arrest. His first wife died under similar circumstances 25 years ago. He is said to be subject to epileptic fits, and has a violent temper. His wife frequently showed marks of his violence, but as both indulged freely in liquor, this attracted little attention. She had several times of late applied to the authorities to restrain her husband, saying that he would murder her, but nothing was done until too late.

PRISONER USED DYNAMITE.

Ottawa, Sept. 19.-Constable Larry Hunter arrested a man on Ottawa street yesterday for stealing a coat. While the prisoner was being taken to the station he took out a dynamite cartridge and exploded it, severely injuring the policeman. The prisoner was recaptured, and it was found out that he was a dangerous character known as "Fenian" Pendergast, who has just been out of Kingston Penitentiary a few days.

Mr. H. S. Barnes, of Rat Portage, Speaks in No Uncertain Terms of Dodd's Kidney Pills.

Rat Portage, Sept. 18 .- No old gentleman in Rat Portage is better known or thought of than Mr. H. S. Barnes, father of ex-Mayor Barnes, of this place.

"Some months ago," writes Mr. Barnes, "my wife asked me to get her some of Dodd's Kidney Pills. She was suffering from kidney trouble, and I got a box, but she never lived to take them. I had long been suffering from symptoms similar to those of my wife, and these now becoming severe, and having a box of Dodi's Kidney Pills in the house, I resolved to try them. The first box eased these symptoms, and continuing their use I was completely cured. Dodd's Kidney Pills possess genuine merit."
