TOAST TO POPE FIRST; KING SECOND ON LIST

Lieutenant-Governor and Others Decline to Attend Winnipeg Banquet.

[Canadian Press.]

Winnipeg, Man., April 16.—Considerable discussion took place in religious, state and civic circles here today, when it became known that on the toast list of the big Catholic banquet, dated for tonight, the Pope was placed at the head, with His Majesty the King second. Because of this Sir D. C. Cameron, lieutenant-governor of Manitoba, and several prominent men, refused to attend. T. R. Deacon, mayor of Winnipeg, at first refused to be present, but the matter was compromised and the mayor was in attendance. The compromise agreed upon by the banquet committee on receipt of numerous protests, was that the national anthem "God Save the King" should be sung at the opening of the banquet, the toast to the Pope to follow and the toast to the King entirely omitted.

This program was duly carried out, and in answering the toast to the Pope, His Grace, Archbishop Langevin stated that he would "render unto Caesar the things that are Caesar's, and unto God the things that are God's."

Minister of Justice Declines.

Hon. C. J. Doherty, minister of justice, was to have attended but his message of regret stated that "under ordinary circumstances he would have been most happy to attend."

H. W. F. A. Turgeon, attorney-general of Saskatchewan, was present as was also Hon. Joseph Bernier, representing the Manitoba Government. Premier Roblin was invited, but an important engagement precluded his attendance.

The alleged affront to His Majesty in placing the royal toast second on the list was first brought to the mayor's attention by A. J. Taylor, president of the Sons of England Society in Winnipeg, and his honor notified the banquet committee that he could not officially attend. Sir Douglas Cameron also notified the committee to the same effect. Interviewed, Sir Douglas said: "I am not going to the banquet. My reason is obvious. I have nothing to say."

Hon. Joseph Bernier Satisfied.

Hon. Joseph Bernier, provincial secretary, was thereupon announced as representing the provincial government and to respond to the toast to "Our Province." Interviewed prior to the banquet Mr. Bernier said: "I see no reason why the toast list should be changed. The Pope has never asked Catholics to be disloyal to the King. This agitation about positions of honor is a poor example of British fair play."

Archbishop's Address.

His Grace, Archbishop Langevin, proposing the toast to His Holiness Pope Pius X., said that the papacy was the most sublime majesty in the world, for the Pope represented the founder of the church, the Lord Jesus Christ, and therefore called Head of Christendom. "We are not of the generation of men that declares it has no other king but Caesar," said his grace, "for we have a king whom we have the best cause to reverence and love, for did he not baptize from his oath of accession the insulting words against our faith? Therefore as Catholics we give place to none in our loyalty to King George V."

Another speaker, P. J. Healy, who took the place of Hon. Mr. Doherty, concluded his remarks by saying: "As Catholics throughout the length and breadth of our fair Dominion, and as Catholics, proud of our clergy, we yield to none in loyalty and devotion to our country and to his gracious majesty, the King."

HIGHEST COMPLIMENT SAYS CHARLES MELLEN

Will Feel Honored If Chosen to Head Great Railway Employees Federation.

[Canadian Press.]

New Haven, Conn., April 17.—Charles S. Mellen, former president of the New York, New Haven and Hartford Railroad Company, would be highly honored, he said today, if chosen to head the Federated Railway Employees as suggested in Boston dispatches last night. The new organization, which will have a membership of 2,000,000 railway employees, will be formed at a meeting of delegates in Boston on April 26. It will be known as the Federated Council of Railroad Brotherhoods.

Commenting on the mention of his name in connection with the leadership of this federation, Mr. Mellen said: "I would regard it as the greatest compliment that was ever paid me. I would rather head that position than be president of the United States."

"If the great body of railroad union labor men with whom I had been associated for years as railroad president should regard me as a worthy man to lead them as their chief executive in their federation, I should regard it as the greatest honor that has ever come over to me."

NEW IMMIGRANT RECORD

Over 1,600 British Reach Winnipeg in Week.

Winnipeg, April 16.—The following are the immigration figures at Winnipeg for the week ending April 14: British, 1,615; Italians, 45; Russians, 25; Germans, 95; Norwegians, 70; Galicians, 37; Swiss, 65; Roumanians, 12. These figures constitute a record for one week's arrivals from all quarters this season.

The preponderance of the British over all other nationalities which has been pronounced since the opening of immigration is still very marked. The returns compared favorably with the same week last year.

[Special to The Advertiser.] Sault Ste. Marie, April 16.—Artesian wells, which promise to solve the problem of supplying the town of Sault Ste.
