Lloyd George Arrives In New York En Route To Canada

BRITAIN'S WAR-TIME PREMIER SAYS PRESENT UNREST DUE TO INEFFECTIVE **OPERATION OF VERSAILLES TREATY**

David Lloyd George Arrives in New York en Route to Canada.

WARMLY WELCOMED

States League of Nations Weakened by Greco-Italian Situation.

Associated Press Despatch. New York, Oct. 5 .- David Lloyd George, war time premier of Great Britain, today set foot on United States soil for the first time.

Coming here as a private citizen to tour Canada and the United States he "little Welshman' 'and his family were taken from the liner Maure nia at Quarantine and landed at e Battery by the police boat Macon. Quarantine the latest member of "big four" to come to the United tates made it known that he in-nded while here to call on former resident Wilson, with whose aid the reaty of Versailles ending the war was drawn. He defended the treaty asserting that it was the manner in which it was operated that had aused unhappiness and indorsed the ighes that an international comnittee of statesmen and econo massed at the Battery to greet the man who had steered the British ship of state through troublous waters. As Mr. Lloyd George stepped ashore he beheld nine platoons of mounted police drawn up to escort him to the city hall. With the police were delegations of Canadian war. were delegations of Canadian veterans.

Crowds Cheer Wildly. Crowds lined Broadway as the procession moved up through the canyon to the city hall, where shortly before the Macom had landed, police reserves had broken up a parade of Irish women carrying anti-British as the ex-premier reached it.

Mr. Lloyd George arrived at the
City Hall Park about 12:30. He received a volume of cheers. Acting Mayor Hulbert then extended the welcome of the city of New York in a speech dwelling on relations be-tween Great Britain and the United

The unhappiness and difficulties resulting from the war have been resulting from the war have been caused by an improper or ineffective operation of the the provisions of the treaty of Versailles, David Lloyd George, former premier of Great Britain, declared today on his arrival today en route to Canada. "Has the Versailles treaty brought haminess treaty brought happiness and settlement to the world?" he "The trouble has been with how the

treaty has been carried out," replied loyd George. The most important factor which might lead towards the sment of the difficulties of Central Europe, which Mr. Lloyd George said still secretary of state, in his New Haven ress that the situation be analyzed Turn to Page 5, Column 4.

Ald. Gordon Drake thinks that he Realty Transfers and Building Permits Much Heavier Than a Year Ago.

Year Ago.

Continued building activity and real estate transfers indicate a busy London in October, according to city hall reports today. Assessment Commissioner Harry Bennett reports that missioner Harry Bennett reports that are records that since the first of the month no less than 148 realty transfers were noted, an increase of 1922. The total to date since January 1 is 1,425, as compared with 1,291 transfers during the same months of last year.

Farmers of Western Ontario who are anxious to secure help for the winter months should apply to either Bert Foyston, B.S.A., at the department of agriculture office in London. Mr. Foyston the British Isles in the western wheat fields, and the majority wish to make their homes in Canada, Mr. Foyston of \$114,305. This is practically one-half of the total expenditure for building during October, 1922.

Will Build Huge Grain Elevator

Halifax, Oct. 5.—In efforts to keep their grain traffic in home ports, the Canadian government will erect here a grain elevator with a million bushels capacity. It is expected to cost \$1,000,000 and government officials believe it will divert Canadian grain traffic from Portland, Boston and New York to Halifax.

REMOVED TO STRATHROY

License Inspector Bolton Promises Prosecutions Will Follow Soon.

The 27 bottles of Corby's Special whiskey seized by County Constables Campbell and Cornell at the witching hour of 3 am. Monday, near the corner of the 8th concession of Lobo will admit, if closely questioned, that Township and the Sarnia gravel road, he was held up the night before last is at present reposing in the Strathroy police station, License Inspector Bolton stated today.

"I understand that Campbell was cation was a couple of miles north of Birr. The doctor was pounding along at a good night clip when his lights picked up an old rake of a car set across the road, with a 200-pound man at either end. There was the option of boring a hole through the car or of knocking down one of the men, but the most easy thing to do was to ston.

Well as a county constable," said the inspector, "and that is the reason I did not move sooner in the case. However, I learned from the reeve of Lobo that the necessary bylaw appointing Mr. Campbell had never been passed, so I immediately took over the case and removed the liquor do was to ston. from the London police station to Strathroy, where the case will be tried before Magistrate Trueman. A motor car out of "gas" was drawn up at the roadside, close to the whiskey cache, and the motorists will be asked to explain what they know about it.

"Prosecutions in the case will fol-low," commented the license in-spector today when asked as to the

ADJOURN PETITIONS LONDON DOES WELL

Appointment of Liquidator Bond Selling Campaign Met Will Be Next Step in With Outstanding Success

Canadian Press Despatch.
Toronto, Oct. 5.—Hon. W. S.
Fielding, Dominion minister of
finance, had a conference today
with Hon. W. F. Nickle, attorney
general of Ontario, and also with
H. J. Scott, K.C., who is acting
locally for the Dominion government in the matter of the suspended Home Bank. Various
aspects of the situation were
considered and the question of
federal and provincial action
fully gone into. It was announced
this afternoon that arrangements
had been made for the fullest
co-operation between the Dominion and provincial authorities in
regard to the collapse of the
bank. worth of the Dominion refunding loan long-term bonds, and together with the London Life Insurance Company, is one of the two large companies in London who have taken such a large block of the bonds. Danbert McEachern, secretary of the corporation, told The Advertiser today, that the investment in the loan was in keeping with the usual religious. in keeping with the usual policy of the officers of the company, who real-ized the value of the offering and recognized it as a liquid asset with-out a peer in the bond market tuday. It is generally accepted among financial men that the bonds will soon be at par, and this, in itself, secured as it is by the soundest collateral in the world, the Dominion Toronto, Oct. 5.-The several petitions to wind up the Home Bank again came before Mr. Justice Fisher at Osgoode Hall this morn-

Successful Campaign. SERVED IN FRANCE

Not until he was informed by The Advertiser this morning did Captain E. Fremlin, at present a salesman for Durant Motors, know that he had been appointed as soldiers' adviser for Military District No. 1, a position recently created by the Dominion government.

Captain Fremlin was one of a number of applicants for the positions to the extent of applicants for the position to court allowed and the position and Ribbon Company, the five was plenty of money in the district, and keen delight is necessary this new petition could not be heard till Monday next. so the court adjourned all the petitions till Monday next, so the largest purchases the smaller bursers can be for the position of petitions as to the position of the closing of the bank's district, and keen delight in the position of petitions as to the position of petitions as to the position of the closing of the bank's district of the refunding loan that met with the greatest success, and with a ready market. Bond houses and brokers in London reported a response that was particularly grativing, and that showed the following the flying of the court of \$1,600 to be filled following the flying of the curator's report acknowledging in solvency. Owing to the notice which is necessary this new petition could not be heard till Monday next. so the court adjourned all the petitions till Monday next, siving leave to mysic.

Monday next, giving leave to prior petitioners to amend their petitions. His lordship directed the curator to call meetings of shareholders and of creditors and in the meantime to country. The five-year which were limited to 10 the whole amount of \$172,000,000. were quickly taken up.

The whole loan was sold to people of Canada by the various banks and bond houses by the efforts of their own organizations, the strength of the worth of the loan itself.

they were put at the time they floated the Victory loan, when they paid the salaries of the salesmen them-

The appointment of counsel should be left to the liquidator and he would direct him to secure counsel of the loan in Canada is beneficial to the credit of the country abroad, so the should be the country abroad, so the absorption of such a large amount as has been taken by the people and firms of London reflects a proportion-ate credit on this district, that will give confidence to industry and busi-ness, and tell financial men across the continent that the western peninsula of Ontario is in a healthy, sound condition, and that London is a likely prospect for any manufacturer who finds the need for a new site.

Classification of city officials as to

Check For \$13,416.47 Received Today by Secretary of Board of Education.

A check for \$13,416.47 was received at the board of education offices this morning by Secretary W. A. Tanner, this being the amount allowed the board by the department in respect of the vocational classes at the Technical School.

The sum is reached by taking into account all the expenditures of the board along this line, the vouchers for which must be sent to the department for verification. Payment Appeal of Julius Schure against his conviction Sept. 19 in police court on a charge of keeping liquor for sale was dismissed by Judge J. C. Judd in county court today.

Schure had been fined \$500 and costs in police court after Sergt.

Thompson had testified to seeing a bottle in his establishment at the corner of Clarence and Horton streets.

Journal atoms the sent to the department for verification. Payment is then made on the basis of 25 per cent of expenditures on equipment. In addition to this, 50 per cent is also allowed for any new building, therefore the six-room addition being constructed to the west of the Technical School will be paid for by both the city and the department, 50 per cent each.

In the letter accompanying the

In the letter accompanying the check this morning was a notation that 50 per cent of an overpayment of last year, amounting to 78 cents, had been deducted. This was for some equipment which cost \$1.56, and serves to illustrate the care with which all accounts are checked up before final payment is made.

The four cases of rare wines and whiskeys seized in a freight car in
