smiling and nappy. Once in a winter the unwary citizen gets his foot caught in a repaired hole where the sun has mad th tar sticky, and blesses the haughty car owner, but as even the city engineer can't push the sun back neither can he buy a tar that won't get soft in the sun, the president is good enough for us."

BEAUFORD STREET GRAVEL before he leaps. PIT BOUGHT FOR \$4,000 SERVICE IS RECOGNIZED

night in the council meeting permission was granted to purchase the property at a cost of \$4,000. The city engineer explains that he will use over 1,200 loads of gravel from this pit this year, and that he will save about 25 cents a load in hauling, as compared with a pit further away from the city work being done.

A. Terry to motorize the ladder truck in the east end fire hall last night, the council took into consideration the service given by the other four trucks which he ab built for the department and the 24-hour repair service which he gives the city in this work, as well as the one-year guarantee.

A. Terry to motorize the ladder truck in the east end fire hall last night. Following the luncheon, the visitors will be conducted on a drive through the city and will end up at Victoria Park where a public meeting will be held, to which all of the citizens are invited. The Listowel band will render several selections during the afternoon.

Speeches of welcome will be given city tax collector up to last night

NEW GAS HEATER LIKELY
FOR THE COUNTY JAIL

Duncan Gordon, reeve of Delaware

Duncan Gordon, reeve of Delaware Duncan Gordon, reeve of Delaware and chairman of the jail committee of Middlesex County Council, will be in the city on Thursday to inspect the county jail and order any repairs deemed necessary. It is expected that the jail will receive some new eavestroughs and a new gas heater, so that the prisoners will receive plenty of hot water for baths and shaving.

The price of the motorization of the ladder truck is estimated at \$3,100.

The price of the motorization of the chief and that there was no danger of his leaving the city. He amused the council by the frankness of his remark, "I'm doing well here and I'm making money in the city and I don't intend to leave. I shall always be here to attend to the trucks in the department as long as I'm wanted."

The price of the motorization of the city he amused the council by the frankness of his remark, "I'm doing well here and I'm making money in the city and I don't intend to leave. I shall always be here to attend to the trucks will be for sale on the local market within ten days to two weeks, and possibly before that time, should weather conditions be favorable. The crop, it is expected, will be fully up to that of last year, but in the opinion of growers will not last the chief and that there was no danger of his leaving the city. He amused the council by the frankness of his remark. "I'm doing well here and I'm making money in the city.

Strawberry growers of the district report that home-grown berries will be for sale on the local market within ten days to two weeks, and possibly before that time, should weather conditions be favorable.
