THE HOUSE THAT IS DIFFERENT.

When we list a house that is different from the cottage or bungalow type so common in London we have no difficulty in selling it. In fact we are often asked if we have certain houses "for sale" because they are different. We have plans for and intend building a number of houses in London next spring, entirely different from anything ever attempted here before. They are also to be CORK INSULATED; a sample of the construction now being exhibited in our office, and you are invited to inspect it at any time. If you intend building for sale, we will be pleased to show you our plans and will help finance your building, which we are able to do through special arrangements made with lumber merchants and loan companies.

THE constant curling and waving demanded by modern style in hair dress, slowly burn the color, lustre and very life from the hair, leaving it dry, faded, brittle, streaked with gray; then the hair roots shrink and the hair falls out fast.

A 35-cent bottle of refreshing, fragrant "Danderine" will do wonders for any girl's hair. This vitalizing beauty-tonic acts on the hair, like fresh showers of rain and sunshine act on vegetation. It goes right to the roots, invigorates, nourishes and strengthens them, helping the hair to grow thick, healthy and luxuriant. Try this for one week! While combing and dressing your hair, moisten your hair with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre, becomes incomparably soft, wavy and appears twice as thick and abundant.—Advt.
