

# Our January Sale Commencing Wednesday 2nd

## Is to be Unprecedented and Unparalleled in Values and Prices!

To the Residents and Non-Residents of Victoria:

We do not make any vain boast of what we intend to do for you in our January Sale. We would simply remind you that our Store being the greatest in Western Canada, our customers must indisputably be the greatest in number, our stock must of necessity be the largest, and consequently through the enormity of our business, influence and capital, we absolutely stand alone in our ability to give you the Winter Clearances at the lowest possible prices extant in Western Canada. Spring is fast approaching, and so are our loads of spring goods. What does this mean to you?—and us? Just this—that in order to prepare for this great influx of new goods, the bulk of our winter stock must imperatively be cleared before these goods arrive and are placed into stock. Consequently

our paramount position enables us to give you unapproachable values at unapproachable sale prices anywhere in this Province.

Finally, the past year, ending with January, has proved the most prosperous in the history of this store. Nine departments have been opened; never such volumes of business transacted, which is beyond all normal calculations.

Explanations of such gratifying results would be superfluous! We would just say that our prosperity has resulted from our determination to serve your interests in the minutest detail, and it matters not in what part of the globe we have to obtain the goods that are worthy of our reputation.

On the threshold of the New Year we wish all our patrons and friends our sincerest good wishes.

Goods phenomenal, qualities phenomenal, sale prices phenomenal, in our
