

"MY STOMACH IS FINE Since Taking Na-Dru-Co Dyspepsia Tablets"

Mrs. J. Merklinger, Waterloo, Ont., enthusiastically recommends Na-Dru-Co Dyspepsia Tablets. Her experience with them, as she outlines it, explains why.

"I was greatly troubled with my stomach," she writes, "I had taken so much medicine that I might say to take any more would only be making it worse. My stomach just felt raw. I read of Na-Dru-Co Dyspepsia Tablets, and a lady friend told me they were very easy to take, so I thought I would give them a trial and really they worked wonders. Anyone having anything wrong with his stomach should give Na-Dru-Co Dyspepsia Tablets a trial, they will do the rest. My stomach is fine now and I can eat any food."

One of the many good features of Na-Dru-Co Dyspepsia Tablets is that they are so pleasant and easy to take. The relief they give from heartburn, flatulence, biliousness and dyspepsia is prompt and permanent. Try one after each meal—they'll make you feel like a new person.

SEEDLESS APPLES

FOUND AT LAST

Connecticut Farmer Finds Accidentally What Scientists Have Sought for Years

Willimantic, Conn. Nov. 18.—After years of search and experimenting by students of pomology at college and on the old farm to produce a seedless apple with success, a former New York man, Julian A. Dorrance, has discovered it in his orchard in the village of Scotland.

Mr. Dorrance is a retired jewelry manufacturer. Two years ago he bought a farm in Scotland. He had read of the experimenting by pomologists for seedless apples, but thought little of it. His find was purely accidental. The apples, which are of the Porter variety, were picked from a tree that produced six bushels. Some of the apples differed in shape, and on opening one of these Mr. Dorrance perceived that it had no seeds. He picked out a bushel of these new-fangled apples. He says the seedless apples have the same flavor as those with the seeds; also while the apples with the seeds are practically all gone, those without seeds are in perfect condition. Mr. Dorrance is going to store them to see how long they will keep.

News of the discovery soon reached the Agricultural Department at Washington, and A. D. Shomes, head of the pomological division of the department, has written Mr. Dorrance, saying that the department wanted all the information obtainable in regard to it. Mr. Shomes wrote that he had never seen a seedless apple and asked to have samples shipped. Mr. Dorrance has done so.

As to how this type of apple came Mr. Dorrance does not know. He thinks that this tree has long had the habit of yielding a seedless apple and that the phenomenon was overlooked by the natives. So many things of unusual nature happen in Windham Co. that the inhabitants think little of, let alone telling about them.

It is expected that the Agricultural department will send a representative to Scotland to inspect the tree. The Dorrance baked, reduced to "sauce" or used in pies, the flavor of the seedless apple is declared to be finer than that of the seed apple.

PONY CONTEST DRAWING TO A CLOSE

Who is going to win the pony outfit? This is a question a number of the girls and boys would give much to have answered, but no one will know who is the lucky one until the votes are counted.

Any contestant can be a winner if he or she goes in to win. During December, large purchases will be made, and by seeing that these purchases are

SALVATION ARMY

Colonel Gaskin's visit at the Salvation Army last Thursday was very much enjoyed by everyone present, he spoke for over an hour altogether, and there was not one dull moment. Mr. Drumm and Mr. Squires were also present. After the Colonel had been speaking for a considerable time, he called on them to address the meeting. Mr. Drumm was the first to speak. He gave a glowing tribute to the Colonel's talk, and said it was a long while since he had heard an address which he had so much enjoyed. He also brought before our minds the story of the Exile. He said the prophets previous to the Exile of the children of Israel were called Pre-Exile prophets, and after the Exile, Post-Exile prophets, and just as the Exile was an epoch in those times, and everything dated from the Exile, so the fire had been an epoch in the life of the Campbellton people, and as Mr. Drumm wittingly put it, he thought he would lay claim to the title of Pre-Fire and also Post-Fire prophet.

The Colonel when speaking gave a description of the local preacher who he was converted under. He said he was tall and slim, he had a little bit of white whisker under his lower lip each side of his mouth. He looked as if he had taken a drink of new milk and left a dot of cream on either side. He had only two teeth, as a result his jaws were sunken in. His two teeth held a prominent position in the front, one on the right on the top jaw, and the other on the left on the lower jaw. When he preached he leaned over the pulpit, thumped on his Bible, and roared like a lion, and when he pleaded with the people, the tears would roll down his lantern jaws.

Mr. Squires spoke next, after Mr. Drumm. He started off by saying he did not quite answer to the description of the local preacher, given by the Colonel, as he had not the two little bits of white whisker, and he had more than two teeth, and also he was not much of a roarer. But he said words to the effect that he believed in enthusiastic preaching, this he evidenced as he went along. He told us some advice an old lady gave him in his younger days. It was this: "The more you hit 'em, and hollers at 'em, the better they likes yer."

After this the Colonel gave a splendid talk on the Gospel, for about twenty minutes, and when closing gave the invitation for any present to accept Christ, after which the meeting was closed with "Praise God from whom all blessings flow," and everyone went home feeling they had spent an enjoyable, inspiring and profitable evening.

CON.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send testimonials, free.

CHANDLER

The weather has been very cold this last week and the ground is practically covered with snow. There has been skating on the dam near Molloy's old mill for a couple of nights.

Last week a large steamer loaded with lumber from Jacksonville, Florida, for the St. Lawrence Pulp & Lumber Corporation, was in port. It was probably the largest steamer that ever docked at Rail's Wharf. She was speedily unloaded and the only mishaps were one man having his fingers jammed and a scow loaded with lumber capsizing. The unfortunate man's fingers were healing nicely and the lumber that fell in the river all came ashore.

The St. Lawrence Corporation now have two big locomotives travelling along, also a log loader, and between them, manage to raise quite a noise at 7 o'clock in the morning.

The young people of Chandler have been enjoying themselves at numerous affairs these last couple of weeks. Mr. and Mrs. Harry Smock, formerly of Philadelphia, gave a little "lemonade party" in their house at Babos Mills a week ago. The floor in the drawing room was waxed and a few couples waltzed and two-stepped to the tunes of a Victrola. At 11:30 refreshments were served, and after a few more dances, the guests left, all enthusiastic over the nice time they had had.

Messrs Pattison, Scott and Curran paid their usual visit to St. Adelaide de Babos, Sunday evening. Mr. P. W. Wade, auditor for the St. Lawrence Corporation, decided that a little relaxation from work would be beneficial, so Wednesday night got on the train and went to St. Adelaide. Had tea at Dugan's Hotel and drove back that evening.

Mrs. Harry Smock left on Monday for her home in the States. She is expected back in a couple of weeks. Mr. Smock can be heard at all times of the day whistling the old-time melody "my wife's gone to the country." He and Mr. Doyle are "baching" while she is away.

Mr. H. W. Racey, General Manager of the St. Lawrence Corporation, is at present away on a business trip.

Mr. C. R. Taylor of Gaspe spent a couple of days in Chandler. Mr. Vial of Port Daniel is also in Chandler.

Dr. Enright spent the week end with his family in Port Daniel, and returned on Monday night's train.

Mr. Arthur Nadeau, one of the contractors for the town houses, has completed his contract. Some of the new town houses will be tenanted in a few days.

Since the Hotel Chandler has been taken over by Mr. F. X. Deraiche of Port Daniel, a marked improvement has been made in its management, and some of the boards are quite pleased that raisin pie, (not seedless raisins), has been left off the menu under the new regime.

The Company's boys who are sleeping in the Staff House No. 4, have been troubled all fall with a cow roaming around at night; they didn't object so much to the cow as they did to the bell she had around her neck, so one night they planned a campaign on the cow and captured the bell. It is now lying as a trophy in one of the aforesaid boy's rooms.

The moving picture show is under construction. The proprietor is Captain Harry Dakin and we are promised the first movies by Christmas day. There will be two shows a night at ten cents a show and between the pictures songs will be rendered by some of the local talent.

Mr. Myar Nadler has started to

build a rink which he promises will be ready next week.

The Railroad Construction boys gave a stag party Saturday night to a few of the friends. From all reports, they had a delightful time.

Thursday, Nov. 27th, was the American Thanksgiving Day and owing to the Canadian Thanksgiving Day not having been observed by his staff Mr. Wade gave them that day as a holiday and also treated the members of his staff to a banquet in the Hotel Chandler. The private dining room was prettily decorated with evergreens and the table was laden with good things to eat. Before the guests sat down a speech was made by Mr. Wade which called forth loud applause.

After the supper, the guests went to the Staff House where a few more gathered and a pleasant evening was spent. Mr. Wade has purchased a splendid Victrola and this, in itself afforded pleasure. At 9 o'clock ice cream and cake were served. The guests departed about 11 o'clock. The guests included Mr. and Mrs. Durrel, Misses McLellan, Nadler, Sutton, Beck, Cote, Mr. and Mrs. N. N. Rail and the Misses May, Olive, Verona and Pearl Dugan, Messrs Smock, Doyle, Patterson, Vachon, Wilbor, Rail, Halliday, Slaymaker, MacNaughton, Kennedy, Scott and Curran.

A supper was also held at the "Engineers Quarters" of the Athertham Construction Co. Thursday evening.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

PASPEBIAC

Miss Lulu L. Miller of Port Daniel is the guest of Mrs. Edmund LeGallais of West Paspebiac.

Miss Grace Flowers and Miss Isabella Nelson were in town on the 29th. Mr. B. W. Blou's who got hurt by falling off a bicycle some time ago has completely recovered and is back to work again.

Mr. Bigne was the guest of Mr. and Mrs. O.C. Harris on the 29 and 30 ult. Miss Lulu Miller was the guest of Mrs. J. C. LeGallais on the 29th inst.

Mr. M. O.C. Harris left for Gaspe on the 1st inst. where he will remain for a couple of days.

Mr. Paquette was in town on the 29th inst.

Mr. Jean, of Robin, Jones & Whitman will be in town for the winter.

Mr. George Alexander left for Newport on the 1st inst.

Mr. Harquail was in town on the 29th inst.

Miss Florence Robinson spent the week end with her parents in Shigawake.

Mr. Chalifour was in town on the 28th inst.

Messrs Frank LeGallais, L. St. John LeSeigneur, Chas. De LaHaye, J. Le Heron, Jos. LeFloch left for their homes in Jersey on the 1st inst.

A vestry meeting was held in the vestry of the Episcopal church on the 1st inst. to discuss important matters.

Mr. L. M. R. Caldwell of New Carlisle was down here on the 30th in his motor car.

Miss Marie Prevotat was out of town for a few days last week.

Mr. O. H. Honey, traveller for the Eastern Hat & Cap Co. Ltd., was in town on the 21st.

NEW RICHMOND CENTRE

The home of Mr. and Mrs. Thomas Fallow, New Richmond Centre, was the scene of a very pretty wedding, Wednesday evening, Nov. 26th, when their second daughter, Cora Elizabeth, was united in marriage to Mr. Preston Woodman of Grand Casapedia, Que. The bride who entered the room leaning on the arm of her father, looked charming in a dainty gown of pale blue silk, with white overlace and pearl trimmings. She wore a tulle veil arranged with a wreath of orange blossoms, and was attended by her sister, Miss Lena Fallow, becomingly attired in silk, while the groom was supported by Mr. Charlie McColm.

After the ceremony, at which the Rev. W. B. MacCallum officiated, a sumptuous repast was served to the large number of guests who were present.

The gifts were numerous and valuable, testifying to the popularity of the bride and groom. Mr. and Mrs. Woodman left for their home in Grand Casapedia the following day, carrying with them the best wishes of the entire community for a long and prosperous journey through life.

GLENELEVIT

Mrs. F. Heninger and Mrs. Wm. Canors of Dawsonville visited Mrs. J. A. Boudreau of Glenelvit, Monday evening and enjoyed themselves very much.

Some of the jobbers who were working for C. McDonald, have completed their clothing operations. They have finished very early this year.

An English vicarout accepted \$500 for the use of his name in boosting Canadian stock issues. The referendum and the recall apparently are needed with regard to titles, too.

D. D. D. -In Hospitals;

Standard Skin Cure

How many hospital patients, suffering the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands? That fluid is the famous D. D. D. prescription for eczema.

The Supervising Nurse of one of our prominent Catholic institutions (name of nurse and institution on application), writes regarding a patient. "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."

How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same soothing, healing fluid?

Dr. Geo. T. Richardson frankly writes "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent."

To do the work, D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!

And it certainly takes away the itch at once, the moment the liquid is applied. The skin is soothed—calmed—so thoroughly refreshed—delightfully cooled.

All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.

But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.

A. McE. McDONALD.

D. D. D. Prescription—for 15 years—the standard skin remedy
