MESSRS. ORR, HARVEY & CO., Wholesale Boots, Shoes and Rubbers, 59 and 61 Front-st. W. - - Telephone 1675

In five years our business has increased to such an extent that our present warehouse is not large enough. We have therefore removed to 33 Front-street west, larger and more commodious premises, where we are now ready to do business, and will be pleased to see any and everybody connected with our line of trade.

SOME OF THE REASONS WHY YOU SHOULD BUY THESE GOODS

We make only First Quality Goods.
We give an Absolute Guarantee with Every Pair.
Our Hold-fast Is the Neatest and Best device ever invented to keep rubber shoes from slipping off and the only one that does its work.

We keep \$100,000 stock in Canada and can sort at a moment's notice.
Our Non Snag Long Boot has no rival, and is a patent.
Our styles, finish and wear are equal to any and superior to most.

We have made arrangements with

Messrs. Orr, Harvey & Co.

59 and 61 Front-Street West, Toronto

Wholesale manufacturers and dealers in Boots, Shoes, Rubbers, etc., to carry a full line of our goods, who will place them on the market upon exactly the same favorable discounts and terms, and whom with ourselves only will control the sale of these goods in Ontario.

We wish to remark that nearly every large concern in the Dominion handling quantities of LUMBERMEN'S heavy goods buy our make. They are certainly the best in these lines in America.
A word to the wise will be sufficient. Raw material last year this time was 62c, it now is 90c, advancing every day; consequently buy early and before further advances are made, as they certainly will be.

GRATEFUL-COMFORTING.
EPPS' COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and assimilation, and by a judicious application of the properties of well-selected Cocoa, Mr. Epps has provided our breakfast table with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to bear every liability of disease. Hundreds of subtle malades are being cured by the use of Epps' Cocoa. It is a weak point. We may escape many a fatal attack by drinking cupfuls well fortified with pure Cocoa and a properly nourished frame."
Made simply with boiling water or milk. Sold only in packets, by grocers, labelled thus:
