facts between ready-made Clothing and the FINE CUSTOM TAILORING turned out of our work-rooms are radically different. By our made-to-measure system every suit gains in distinction and individuality. The big thing about our tailoring is the character of the fabrics we offer, their style and finish. The public may make certain that nothing in this town equals it. We maintain the same high standard and low prices in spite of the present pow-wow about "great rise in goods."

The Literary Society met in the town hall on Friday evening, March 31st. The President, Mr. Graham, occupied the chair. The minutes of the last meeting were read by the Secretary, Mrs. Dr. Sawers, and adopted. The Napier "Literary Chronicle" was read by the reporter of the Society. An open debate on "Resolved—That money is more powerful than brains" followed. Speakers on the affirmative side were Mr. A. Fisher, Misses Elva McIntyre, Christie McLean, Reta Field and Miss S. Logan; on negative, Messrs. A. Clothier, A. Field and M. McMcIntyre. Excellent points were set forth by the contestants who all proved themselves able debaters. The judges, Messrs. J. Sutherland, F. McPhail and Miss B. Hay decided in favor of the affirmative side by one point. Selections were given by the Napier Orchestra and the meeting closed by singing the National Anthem. Next meeting will be held in the town hall Wednesday, April 12th, when a "Book Contest" will be held, following which will be program and lunch.

KERWOOD.

Mr. Ed. de Gex is at present sold out of all surplus stock, but has some nice young stock coming on for next fall trade. His specialties are Shorthorn cattle and Lincoln sheep. His stallion "Prohibition" will remain at home this season, and as every good horseman knows his qualities it is needless to go into details.

NEW STRENGTH IN THE SPRING

Nature Needs Aid in Making New, Health Giving Blood.

In the spring the system needs toning up. To be healthy and strong you must have new blood, just as the trees must have new sap to renew their vitality. Nature demands it, and without this new blood you will feel weak and languid—you may have twinges of rheumatism or the sharp stabbing pains of neuralgia. Often there are disgusting pimples or eruptions on the skin. In other cases there is merely a feeling of tiredness and a variable appetite. Any of these are signs that the blood is out of order—the indoor life of winter has lessened your vitality. What is needed to put you right is a tonic, and in all the world of medicine there is no tonic can equal Dr. Williams' Pink Pills. These Pills actually make new, rich, red blood—your greatest need in the spring. This new blood drives out disease, clears the skin and makes weak, easily tired men, women and children, bright, active and strong. You can prove this by your neighbors for there is not a nook or corner in this great land where some weak, ailing man or woman has not been made well and strong by this great medicine. Mr. H. Wilson, Stonewall, Man., says: "Some years ago I was run down, languid and depressed and felt as though I was only fitted for life's scrap heap. A friend who had great faith in Dr. Williams' Pink Pills gave me a box. Before they were all used I felt some better, and thus encouraged got a further supply, and it was not many weeks until I was again enjoying my former good health. I think Dr. Williams' Pink Pills a boon to every weak person." Sold by all medicine dealers or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
