NEW PROSPECTUS OF THE BOSTON NOTION.

THE FOLIO AND QUARTO EDITION.

IMPORTANT IMPROVEMENTS PROPOSED.

ON the Ninth day of October will be published the first number of a new volume of the Boston Notion, which will at that time be considerably enlarged, and in every respect improved. It will then be printed with new type of the most modern cut and beautiful form, on paper of the same quality as is issued in any the Aristocratic establishment in this country, and by a press manufactured expressly for the purpose, at the celebrated foundry of R. Hoe & Co., New York, in which will be embraced all the most recent improvements in that machine, enabling the printer to give perfect impressions and an unfailing register.

THE BOSTON NOTION,

Is a weekly gazette of original and selected literature and intelligence. It embraces Tales, Poems, Essays, Reviews of New Works, Biographical Historical and Humorous Sketches, Anecdotes, &c. &c. selected from the widest range of British and American current and periodical literature. There is no 1st rate periodical in the English language worthy of regard, which it does not regularly receive, and select from as frequently as the character of its articles indicates to be proper.

THE ORIGINAL DEPARTMENT.

of the *Boston Notion*, besides the contributions of the editorial, is filled exclusively from time to time with contributions from Professor Longfellow, author of "Hyperion," "Voices of the Night," etc.; Mrs. J. Thompson, author of "Area of Education," &c.; Hon. W. Wirt Henry, Esq. author of "Curiosities, The Professors, &c.;" Wm. Charles Stone, Esq. author of "Early Times," "Southern Passages and Pictures," &c.; Hon. Asher Robbins, M.C., author of "Recollections of Spain," &c.; Henry T. Tuckerman, Esq. author of "The Italian Sketch Book," &c., and many more of the most distinguished writers now living. At present a select, and but few monthly or quarterly periodicals, have ever possessed a list of more distinguished writers contributors than the *Boston Notion*. Those above mentioned have each been for many months giving us articles. A new feature of the next volume will be the publication of a new romance, written expressly for it, by *Henry William Herbert*, Esq. entitled

THE MAID'S REVENGE.

Critics who have examined the MS. of this work, think it the masterpiece of its author. By the first literary journals of Great Britain, Mr. Herbert is pronounced equal to any honored novelist except Sir Walter Scott, and to him in the English language. The purchase of certain works of this description marks an era in the history of newspaper publishing in America. The first Romance in the Notion will also contain a

NEW NOVEL BY BULWER,

The first romance writer of the age. The splendid productions of this great author have hitherto been accessible to those who reside in large towns and in the country. In this paper they will obtain his works, for about *one tenth* of the price demanded for them by the booksellers. Another feature of the *Notion* will be the publication of

ORIGINAL DISCOURSES

By the most eminent divines. Among those who have kindly consented to this department of the *Notion*, may be mentioned, Rev. *John Pierpont*, Rev. *S. K. Lothrop*, Rev. *E. H. Chapin*, and others. The most original new romances published in England will be republished in the *Notion* immediately after their reception in this country, before the works of *Dickens, Ainsworth, Cockton* and *Ainsworth*, printed in large type, would cost *four times as much as the entire subscription* of the paper, if purchased separately at the book stores. The *Notion* will continue to be as rich in this department as in previous years.

COSTLY WOOD ENGRAVINGS,

Imported from Europe, or designed by *Johnston* & other eminent artists expressly for the work, will continue to illustrate and embellish its pages. As a gazette of literary, dramatic, commercial, political and general

INTELLIGENCE,

The *Notion* will be inferior to no periodical now or ever published in America. The *Folio* edition, after the ninth day of October, will contain four pages of ten columns each.

THE QUARTO EDITION.

Of which the *first* number will be published on the 9th of October, will be sold on the same terms as the folio edition. It will be printed on a very large sheet, of the finest quality, and each number will embrace *sixteen pages of five columns each*. The quarto edition will contain *every article* which appears in the folio edition in the same week, and at the end of each year from its commencement will constitute a splendid quarto volume of *Eight Hundred and Thirty-two Pages*, with an index and an elegant title page. Of a truly so large a work, embracing an equal amount and variety of matter, of so great excellence was never yet issued for so small a price as *Three Dollars*. The *Quarto* will not contain the same matter as that which appears in the *Folio*, but will contain all the *new works* before alluded to.

CONDITIONS.

The Price of the Folio Edition will remain as now. Subscribers to that edition will not be allowed to transfer existing subscriptions to the new form as such a course would be productive of much confusion and inconvenience in the publishing department. Indeed, as the stories now being printed in the folio edition, *Old Saint Pauls'* and *George Saint George Juxon*, will not be continued in this form, it is presumed that but few will wish to change from one to the other: though it is expected that many will obtain both editions. Those who now do, & subscribe for the *Quarto* are requested to send in their names before the 1st of October next, as intended to limit the edition to the probable extent of the demand.

Price of Folio and Quarto Editions. One copy, a year, Three Dollars; Two copies, Five Dollars; Four copies, Ten Dollars, Six copies, Fifteen Dollars; Nine copies, Twenty Dollars. All remittances must be post paid or they will not be received, and the price of the paper will be discontinued at the expiration of the time paid for, unless previously renewed by a further payment in advance.

THE HISTORY and STATISTICS of the BRITISH and FOREIGN NEWSPAPER PRESS. By P. L. SIMMONDS, Fellow of the Statistical Society of London, &c. Dedicated by permission, to His Grace the Duke of Richmond, K. G. Lord Lieutenant of Sussex, &c. &c.

"The History of Newspapers and of Periodical Literature, in general, remains to be written; and were the task executed by an individual of competent ability, and with due care, it would be a most interesting and important work."—*Macculloch's Commercial Dictionary.*

"The newspaper is the chronicle of civilization, the common reservoir into which every stream pours its living waters, at which every man may come and drink: it is the Newspaper which gives publicity to practical life—its constant circulation its perpetual vigilance—its interesting gossip.—The Newspaper is a daily and a sleepless watchman, that reports to you every danger which menaces the institutions of your country, and to its every at home or abroad. The News, superintends legislation of public opinion, and it informs the people of the acts of legislation; thus keeping up that constant sympathy, the good understanding between people and rulers, which conduces to the maintenance of order, and prevents the storm necessarily of revolution."—*Sir E. L. Bulwer.*

"I am sure that every person will be willing as a tax to assist in, to the most ample terms the information, the instruction, and the amusement derived from the public press."—*Lord Lyndhurst.*
