#### ACADIA DECIDES TO SAVE \$40,000 ON BUILDING

Wolville.—It is understood that the Governors of Acadia have recently decided on the material to be used in constructing the new college building. While white Beneditine stone, quarried in Quebec, would have been the choice of all, the additional cost of \$40,000 for this handsome building stone was not thought wise, so a brick facing, with columns, pilasters, window trimmings, etc., of Beneditine stone, will be used. This combination will no doubt prove very effective.

### PICTOU WOMEN WIN IN MILK-PRICE WAR

Council of Women Bring Down Price of Milk By Threatening to Enter Business.

New Glasgow.—The price of milk has been a popular topic for discussion locally for the past few weeks. Recently the dealers announced that the price would be raised to 14c. a quart, and immediately a protest was heard from all quarters. Meetings were held and the matter discussed by dealers, producers and consumers, but it was not until the matter was taken in hand by the East Pictou Local Council of Women that anything definite was obtained. The dealers were informed by the Local Council that if the price was not reduced to 13c. a quart the Council would put a team on the route and compel them to lower the price. The committee in charge of this work now report that only a few of the milk dealers in town are charging 14c. a quart for milk, and that by far the largest number were selling it at 13c. The remainder have decided to follow suit beginning with the New Year.

DR. S. D. SCOTT

DIED IN VANCOUVER

Vancouver.—Dr. S. D. Scott, Chief Editorial writer of the Vancouver Province, and one of the best known of the old school journalists in Canada, died here of heart failure. He was born in Cumberland County, Nova Scotia, seventy-two years ago.

Dr. Scott graduated at Mt. Allison, N. B., and in 1913 was given the degree of Doctor of Laws of that University. He went into newspaper work in St. John and became editor of the St. John Sun. He also worked in the press gallery in Ottawa for years as correspondent for the Maritime Provinces.

He came to British Columbia to take the post of Editor of the News-Advertiser, and when that newspaper was merged with the Sun he was appointed to the supervision of the Province's editorial page.

A long tramp in an Armistice Day parade about a month ago brought on the seizure which caused his death. He is survived by his widow, three

sons and a daughter, all of them living in Vancouver.

H. W. CORNING DIED

\$2,000 FOR "MIXTURE CAPTAIN"

When away Mr. Corning sold the fine bull "Mixture Captain" to D. A. Donlop, of the Donlop Farm, Tolmorton, near Toronto, for the fancy price of \$2,000. He also sold a pair of calves to R. W. MacIsaac, of Badgley, New York, for a good price.
