Our readers will observe that special attention is given to examination papers in this

Magazine; in many cases hints and answers are given, and for several papers solutions have been furnished to all the questions. We hope subscribers and others will show in a practical way their intelligent appreciation of the valuable work done by the editors of the different departments of THE MONTHLY.

The best educational journal is the teacher's best friend, and we ask you, gentle reader, to aid in securing new subscribers for this educational journal, and to help the editors in getting original contributions for its columns, thus making it more and more the best.

Bound copies of this Magazine in cloth may be had from Williamson & Co., or from James Bain & Son, King Street, Toronto, for \$1.50 per copy.

HISTORY, SHELDON'S GENERAL HISTORY follows the "Seminary Method," now rapidly superseding every other, and strongly advocated by our leading teachers of history. This book is especially adapted to schools without access to large libraries, containing within itself all that is necessary for the work required. A good number of schools are already using it, and, thus far, their unanimous opinion is fairly represented in the following (just received) from John S. Irwin, Supt. of Schools, Fort Wayne, Ind.. "Our work in Sheldon's History has proved satisfactory beyond our expectations. We have put it into two of our high-school classes, thoroughly satisfied that it will prove one of the best means of broadening and strengthening our scholars. The method makes students of history, not students of some author's ideas of history."

Price of History, \$1.60. Price of Teacher's Manual, 60 cents. The first half of this book is bound in a separate volume under the title, "Greek and Roman History." Price, \$1.00.

We have recently published a **WALL OUTLINE MAP** of the United States for use in teaching United States history (Price, 50 cents), and small outlines of the United States, North America, South America, Europe, Central Europe, Asia and Africa. Price, 2 cents each, or \$1.50 a hundred.

HALL'S METHOD OF TEACHING AND STUDYING HISTORY is invaluable to teachers. Price, \$1.30.
