LAURIE'S MAP OF THE
North-West Territories!

This map supplies a desideratum long felt, and
shows:—

- I.—The whole of the Fertile Belt, and those parts of Wisconsin, Minnesota, and Dakota through which the wagon roads pass to Fort Garry.
- II.—The actual survey of the Selkirk Settlement with all the roads, churches, etc., including the New Government Road from Fort William to Fort Garry.
- III.—The Canoe Route from Fort William to Fort Garry.
- IV.—A Sectional Map giving all the Railway or Steamboat Routes by which St. Cloud can be reached.—(St. Cloud is the present terminus of railway travel).
- V.—Table of distances on the Overland Route.

Emigrants can see at a glance where every good camping Ground or Station (Hotel) on the road is situated, and calculate the rate of travel accordingly.

Newspaper readers will find it an invaluable aid to a proper understanding of the now so interesting region.

The map has been compiled by D. TODD, Esq., of Ottawa, from official maps and reports never yet made public, and in this work he has been assisted greatly by a practical knowledge of the country laid down.

The Map is 21 by 38 inches, beautifully litho-
graphed, and will be furnished at the following prices:—
Bound in Cloth, plain, (pocket size)...\$1 00
" " colored... 1 50
Mounted on rollers, plain... 1 50
" " colored... 2 00

The pocket size mailed, free of postage, on re-
ceipt of price.
Five mounted maps, to one address, sent by
express prepaid.

not near so liable to break. It is highly arri-
