This series of Reports to the present time, consisting of 27 Volumes, uniformly bound, contains all, and the only reported decisions of these English Courts from March Term, 1865.

Cases from the above Courts, that are carried to the HOUSE OF LORDS on Appeal, are added to the series in an Appendix of Additional Cases, thus giving their entire history from the commencement to final adjudication, and making this series fuller and more complete even than the English edition.

As an illustration of this, there are added to the volumes the following:—

## TWENTY-TWO CASES FROM THE COURT OF APPEALS' DECISIONS, VIZ:

Holdsworth v. McCrea.

Irwin v. Gray.
