ADVERTISEMENTS.

WANTED.

For the Richmond County Academy, three qualified Teachers for the Elementary, Preparatory, and High School departments respectively. Salaries \$200, \$300, and \$400 per annum. For the High School a man of family would be most desirable, as besides his salary a superior dwelling house and out office, together with a large cleared farm would be at his disposal, rent free. Besides if so disposed he could take in as boarders the many young men who come annually from a distance to avail themselves of the advantages of the High School; and while thus conferring a mutual benefit on himself and them he could also, if found to be the "right man in the right place" secure to himself a permanent situation. Application to be made for one month to.
