To-morrow—The day when misers give, when idlers work and when sinners reform.

*"Troubles often come from whence we least expect them." Yet we may often prevent or counteract them by prompt and intelligent action. Thousands of persons are constantly troubled with a combination of diseases. Diseased kidneys and costive bowels are their tormentors. They should know that Kidney-Wort acts on these organs at the same time, causing them to throw off the poisons that have clogged them, and so renewing the whole system.

What did the spider do when he came out of the ark? He took a fly and went home.

P. M. Markell, West Jeddore, N. S., writes: I wish to inform you of the wonderful qualities of Dr. Thomas' Electric Oil. I had a horse so lame that he could scarcely walk; the trouble was in the knee; and two or three applications completely cured him."

The editor who said his mouth never uttered a lie probably spoke through his nose.

Mrs. E. H. Perkins, Creek Centre, Warren Co. N. Y., writes: She has been troubled with asthma for four years, had to sit up night after night with it. She has taken two bottles of Dr. Thomas' Electric Oil, and is perfectly cured. She strongly recommends it, and wishes to act as agent among her neighbors.

"Isn't this cheese a little old?" asked the customer of a grocery clerk. "I don't know," answered the boy; "I'm only a passenger here. You must ask the skipper."

"ROUGH ON RATS."

"You are as full of airs as a music-box," is what a young man said to a girl who refused to let him see her home. "That may be was the reply, "but I don't go with a crank."

"BUCHU-PAIHA"

Quick, complete cure, all annoying Kidney, Bladder and Urinary Diseases. \$1. Druggists.

A Kentuckian was sentenced in the court at Frankfort to one year in the penitentiary for stealing eighteen head of cattle. Then a negro, who had stolen \$20 dollars worth of copper, received a three years' sentence, and he told the Judge he had nothing to say except that he was sorry that he hadn't stole a drove of oxen.

THE CHARTER.

The following are some of the powers conferred by the Charter under the Great Seal of the Dominion of Canada:—

- Acquiring a tract or tracts of land in the North West Territories of Canada, with a view of colonizing and settling the same.
- With power of contract with the purchasers and settlers of the lands that intoxicating liquors or alcoholic beverages shall not be manufactured or sold in the settlement.
- To purchase, take, lease, or otherwise acquire any real and personal property and any rights or privileges necessary or convenient for the Company in any part of Canada.
- To develop the resources of the lands acquired by building, planting, clearing, cultivating or otherwise dealing with the same.
- To aid, encourage and promote immigration into the property of the Company, and to colonize the same, and for the purpose aforesaid to lend and grant any money.
- To aid by way of bonus or otherwise in the construction and maintenance of a line or lines of steamboats or barges from and through the lands of the Company to some point or place on or near and in connection with an existing or established line of railway, and to make, provide and carry on, use and work tramways, telegraph lines, canals, reservoirs, aqueducts, roads, streets, and other works which may be deemed expedient in promoting the objects of the Company.
- To buy, manufacture and sell all kinds of goods, chattels and effects required for the Company, or by any person who may settle on the property of the Company.
- And for such purposes to have all necessary powers for borrowing and investing moneys, selling and disposing of real and personal property, and such other powers as are necessary and incident thereto throughout the Dominion of Canada.

In 5 seasons. The favorite everywhere. It has no equal.

The sectional safety boiler is manufactured expressly for the "North West" trade. This boiler is so arranged that it is readily taken apart in sections enabling purchasers to clean thoroughly every part of it and prevent burning out. We know from experience this is absolutely necessary with the alkaline waters of the great Western prairies. Largely used by the Pacific Railway Company, and all the large Colonization and Rancho Companies.
