

Are You Paid Up for Grip?

The Dueber - Hampden Watch

HAS WON ITS WAY THROUGH MERIT

Is Endorsed by Railroad Men

Because it is an accurate time-keeper, made on scientific principles, which ensures its durability, and can be relied on when the test is "a question of seconds," in a word, because it is the **Best**.

Is Endorsed by Merchants

Because it is all the makers claim it to be, and can be guaranteed to give entire satisfaction and will do credit to the seller.

Is Endorsed by Workmen

Because it combines accuracy of time, durability, finish, workmanship, quality, value, with lower price, and is sold minus the profits of the Watch Trust monopolists, and at a figure within the reach of all.

Is Endorsed by All

Who know anything about a watch, as being the Best in quality, finish, and value.
