This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long-standing cases of

and has invariably been successful in curing them. It has been again and again tested in Fever and Ague Intermittent and Remittent Fevers, and always with the same excellent results. In

#### RHEUMATISM AND GOUT

tis infallible, curing cases that had resisted all other treatment for nearly a lifetime, allaying every phase of inflammation, and leaving the joints in a natural condition. In

#### OLD SORES

it is a sovereign remedy-causing new circulation of the blood around the edges of the sore, and speedily filling up and drawing together the flesh, which in old sores is generally inert and lifeless. In

#### SORE EYES AND RUNNING EARS

the effect is truly wonderful. The serofulous and depraved blood and humors on which such sores feed and live, are neutralized at the stomach, the fountainhead, and new and healthy blood soon washes away svery vestige of disease. In.

#### · ULOERS AND TUMORS

the effect is equally gratifying, although of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

CANCER, the Sarsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because, unless this is done, and the mature of the blood and humors be entirely changed Broughout the whole body, the disease is liable to return with unabated force. In

BOILS AND CARBUNCLES the Sarsaparilla should be taken five or six times a day, but not in very large doses—say two or three beliespoonfuls at a time. And in all of these diseases we strongly arge the use of Bristol's Sugar-Coated Pills in conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to two or three pills every second night on retiring to treat of In this way, cures will be more speedily effectively. the Sarsaparilla should be taken five or six times a

# Ayer's Hair Vigor,

For restoring Gray Hair to

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
